FRIENDSHIP

To care for a friends is what i like to do. Make them feel happy and laugh till we're blue.

Go to the park and play basket ball. Or even maybe go to the mall.

Group up and cry about life's heartaches. Get over it, work together, whatever it takes.

शेर और चूहे की कहानी

एक बार की बात है जब एक शेर जंगल में सो रहा था उस समय एक चूहा उसके शरीर में उछल कूद करने लगा अपने मनोरंजन के लिए. इससे शेर की नींद खराब हो गयी और वो उठ गया साथ में गुस्सा भी हो गया.

वहीं फिर वो जैसे ही चूहे को खाने को हुआ तब चूहे ने उससे विनती करी की उसे वो आजाद कर दें और वो उसे कसम देता है की कभी यदि उसकी जरूरत पड़े तब वो जरूर से शेर की मदद के लिए आएगा. चूहे की इस साहसिकता को देखकर शेर बहुत हँसा और उसे जाने दिया.

कुछ महीनों के बाद एक दिन, कुछ शिकारी जंगल में शिकार करने आये और उन्होंने अपने जाल में शेर को फंसा लिया. वहीं उसे उन्होंने एक पेड़ से बांध भी दिया. ऐसे में परेशान शेर खुदको छुड़ाने का बहुत प्रयत्न किया लेकिन कुछ कर न सका. ऐसे में वो जोर से दहाड़ने लगा.

उसकी दहाड़ बहुत दूर तक सुनाई देने लगी. वहीं पास के रास्ते से चूहा गुजर रहा था और जब उसने शेर की दहाड़ सुनी तब उसे आभास हुआ की शेर तकलीफ में है. जैसे ही चूहा शेर के पास पहुंचा वो तुरंत अपनी पैनी दांतों से जाल को कुतरने लगा और जिससे शेर कुछ देर में आजाद भी हो गया और उसने चूहे को धन्यवाद दी. बाद में दोनों साथ मिलकर जंगल की ओर चले गए.

The Tree Of Life

“Deep within the forest is the golden tree, the Tree of life. Let your quest be for that and none other,” the old women advised.

“Some seek it for its golden leaves and dream of riches. They do not find it.

“And some, some look for healing from its roots. Some of those do find it, but they are few.

“And then, then there are the ones who search only for the joy of the quest and the wonder of what they might find.

“And these, these are the ones for whom the tree of life bows her golden branches.

“Be you one of these, master?”
cackled the old women.

And I replied without knowing why, “Yes, old women, I am.”

The penguins

Penguins are birds, but unlike most birds they cannot fly. They are one of about 40 species of flightless birds. Most penguins live in the Southern Hemisphere. No penguins live in the North Pole.

They are very social and live in colonies. They are great swimmers who use their wings like paddles to swim through the water. They can stay underwater for 10-15 minutes before coming to the surface to breathe. They cannot breathe under water.

Their feet are small so that they don't lose too much heat as they stand on the ice. They help each other stay warm by gathering together and shuffling around. Their main diet is fish and krill. They will swallow pebbles as well as their food. It is believed that the stone may help grind up and digest their food.

They can drink sea water because they have a special gland that filters salt from the bloodstream.

Their colours help them to camouflage while swimming. From above, their black backs blend into the dark ocean and from below, their white bellies match the bright surface. This help them avoid predators.

Once a year, penguins are moult. Most birds will lose a few features at a time throughout the year, but penguin lose all their features at once. They cannot swim without features, so they eat a lot more before they moult to survive the 2-3 weeks it takes for their features to grow back.

MY BEST FRIEND ESSAY

Here is a proverb "A friend in need is a friend indeed in the light of the proverb friendship does not mean merely meeting sitting gossiping and disbursing but it needs selfless love, co-operative nature and sacrificing zeal the light of the fact, I have selected a friend, named Ehsan, Arian. He is my best friend. We love each other with the core of heart. Though he/she belongs to a rich and high family, but my poverty did not hinder between our friendship. We became friend since we were in class V. Since then we have been strengthening our friendship and the students of our class boast once Hansika has a car and she lifts and drop me while; go and return from school. We seat on the same bench and seldom study together. she has vast knowledge in English i also have acquired some knowledge of it through her co-operation she is fa in colour, tall, intelligent, smiling and attractive. Every student of our class wishes to come close to her, but he-she had does not give any life because she knows that every one cannot be a friend indeed he/she is indeed very kind hearten and always ready to help me through, i feel very shame in letting her know about my problems and compulsions, without telling her anything, she knows everything about me and always help me by every possible means i admire, praise and love my friend very much and we both have promised to continue our friendship till life

Boys will be boys

The two brothers loved each other. But sometimes they argued with each other. Sometimes they yelled at each other. Sometimes they pushed each other sometimes they hit each other. Sometimes they got into a fight with each other. Bobby was the older brother. Billy was the younger brother. Bobby was older than billy. Billy was younger than bobby. Bobby climbed into a tree. His kite was in the tree. He could not reach his kite. He fell out of the tree. Billy laughed, He laughed when he saw Bobby fall to the ground. Bobby was not hurt. But he was angry. "Why are you laughing?" he asked Billy. "That was funny!" Billy said. Bobby said it wasn't funny. Billy said it was funny. Bobby pushed billy. Billy pushed bobby. Bobby punched billy in the stomach. Billy punched bobby in the stomach. They put their arms around each other. They wrestled on the ground. They rolled around and around. Their Mother came outside. "What are you two doing?" She asked. She separated them. She said, "You shouldn't hit each other That's not nice. Wait till your father gets home". She sent them to their rooms.....

The story of the Apple Star

Once upon a time, a young apple tree began growing in an orchard. Each night she would gaze up into the evening sky and admire all the bright and twinkling stars. Oh, how she wished she had just one of those shining stars of her own.

One night, an orchard fairy came to the tree with a promise to grant the little tree one wish. Without hesitation, the young apple tree told, the fairy of her wish for a star of her own. The fairy promised that if the apple tree was a good tree and grow to be big and strong and full of red, ripe apples, her wish would be granted.

The apple tree tried her very hardest. Each sunny day she lifted her branches up to the warm sunshine and each rainy day her roots soaked up the water she needed to grow. After several seasons, her hard work had paid off and she was one of the biggest trees in the orchard with branches heavy with red, ripe apples. She waited and waited for the orchard fairy to return. so, she could show her what she had done and finally be granted her wish.

The apple tree was beginning to lose hope when one day the fairy returned at last. The tree shook her limbs with excitement, showing off her strong branches and all those beautiful apples. “look!” She exclaimed, “I’ve worked so hard and I’ve waited so patiently. When will I finally be given my wish and one bright star of my own?’

“Oh, my dear tree”, replied the fairy, “Your wish was already been granted. You now have among your branches not just one, but as many stars as you’ve admired in the sky”.

“But where?” questioned the apple tree, “All I see on my branches are leaves and these ripe apples!”

The orchard fairy gently answered, “Just peek inside any one of those apples. There you’ll find a special, secret hidden star. It’s ready to be discovered by the lucky person who chooses one of the apples you’ve worked so hard to grow!”.

The World Is A Mirror

Once there was a museum Rooms which was made of mirrors. Its wall, roof and even floor was made of mirrors. One day, the caretaker of that museum forgot to lock the back door of the museum which led directly to that mirror room.

A dog was roaming near that museum and by mistake entered that room. When the dog was in the middle of the room and saw its own reflection and thought of it as that the whole pack of dogs were surrounding him from all sides. Seeing this, the dog got scared and started to bark at reflections. Dog could see all the reflections barking at him in the same way and because of the mirrors dog echo came back after hitting at mirrors and got magnified. Frightened by it, the dog started to bark frantically. Next morning, when the museum guard entered the hall. There he found a lifeless body of a dog. There was no one to harm that dog but yet it died fighting its own reflection.

The Farmer And The Well

One day, a farmer was looking for a water source for his farm, when he bought a well from his neighbour. The neighbour, however, was cunning. The next day, as the farmer came to draw water from his well, the neighbour refused to let him take any water.

When the farmer asked why, the neighbour replied, “I sold you the well, not water” and walked away. Distraught, the farmer went to the emperor to ask, for justice. He explained what had happened.

The emperor called on Birbal, one of his nine, and wisest, courtiers. Birbal proceeded to question the neighbour, “Why don’t you let the take water from the well? You did sell the well to the farmer?”

The neighbour replied, “Birbal, I did sell the well to the farmer but not the water within it. He has no right to draw water from the well”. Birbal said, “Look, since you sold the well, you have no right to keep the water in the farmer’s well. Either you pay rent to the farmer, or take it out immediately” .Realizing that his scheme has failed, the neighbour apologized and went home.

THE MORAL

Cheating will not get you anything. If you cheat, you’ll pay soon enough.
