Leave me Alone, Let me fly

The autumn said goodbye;
and the **veraño** arrives.
I hope one day I will fly;
like a little kite in the skies.   Veraño-(Spanish word) Summer

Once, I flew like a powerful vulture;
But now, I am locked in hands of cruelty.
From inside I'm desiring to go to nature;
But the fire from cruel burning me slightly

They think **Aliferous** make them strong;
But if there is no dust of freedom,
the desire in them doesn't hold for long,
and can't feel the kingdom.

Aliferous - having wings

The greedy and unpleasant mind of the heartless;
make them one day regret and helpless.
Want to fly and also have dreams;
It flows like a leaf in the streams.

How cruel? and how can they do?
where the mind of world goes to?
what if locking their beloved ones;
without letting them seeing any hues.

  Locked in the coop for a long time;
   not knowing what happend in upcoming days.
   Remembering how pretty and shine;
   when I lived with my loved one was.

Feeling pain, and feeling alone,
feeling regret and have been hurted by the thorn.
Even, if I never shout against my dad,
I will never locked in this coop really bad

  Shouting or fighting doesn't bring goods,
   broken piece of paper, can't be fix, like how it was
   A heartful talk and loving greet,
   make everything perfect and pleasant

But now, everything fades and tremble,
I can't feel freedom and space
Now, I am the exhibition to the people,
who treat me bad just in case.

Still I hold Elpida, and willing to fly,
But everything now letting me to die.
I don't know, what would happen,
and what would bring me in sudden

Elpida - Hope (Greek word)

I just want to tell you, hold your believe,
and don't let anyone lock you from dreams you achieve
Believe in yourself and be ready to fly,
and fly like a strong birds ang gain, chase your desire

The cruel, and the disrespects, let me fly,
I want peace and I would rise, like phoenix
I will fly with my Lucent wings,
without letting you know my tricks.
Leave me alone, and show kindness,
Leave me alone, Let me fly....
