

Dream of a Refugee!

I know, I am a refugee
but God's nearest devotee,
For he will always raise me up.
If I go ahead without any give up.

I always fear to dream big
as all my thoughts will make me a twig,
all our desires are the cause of sorrow
So, I expect nothing to borrow.

Perhaps! my dreams will cause no annoy
I am crazy to handle it like a child with his toy,
I will make it happen like the flower's first bloom
and it will be continuous without any gloom.

Food, shelter and clothing is what I deserve
and a person to love and care is my reserve,

I do have skills and abilities
So not meant for ignorance and charities.

I will live a life of peace and harmony.
For I will be satisfied with all my money,
People will be surprised to see my growth.
For I can explain without any froth.

What I have is the holy faith
But not ready to play with fate,
So I turned my point of view
to know more about the outer view.

I rose up with all man power
and was blessed with the holy shower,
I made all my thoughts positive
and stepped forward to overcome my negatives.

Everything ended up in acquiring education.
So, I decided to study without caution.
Success will reach you if you have knowledge
and should never forget the ultimate power to
acknowledge.

I know that all these are my dreams
and mystery.
But I strongly believe it to happen for
the next history
because I know, I am a refugee,
but God's nearest devotee!
