Shadows of Memories!

The rushed lights

Making me forget the surrounding.

Lost in the nights

Head the voices trembling!

Darkness encircled me,

Sorrows have eaten me up.

Laying in my back to see,

the starry void in a snap.

What's troubling me,

the night or the light!

I can't see,

I was lost in the sight

Like the rose between the thornes,

his love was between my sorrows.

Now he's gone

the thourne remains so does the sorrow!

Memories behind my head,
tears rolling through the edge.

I'm completely dead,
who am I to judge!

The love of my life,
My radiant beam in the night,
I don't need no light to keep you safe,
I want you around my arm so tight.

Darkness overshadowed by the Pleasant thoughts,
Gave me shivers through my spine.
Every joy I caught,
had a sorrow of pain.

Darker the shadow,
brighter the ~~more~~ light.
Darker the sorrow,

Brighter the memories!

I ran, walked, crawled

But it was too late

Now see you in the cloud

As you lay under the grass and me above it!

Love burst

Above the Trust

You and me

That's what I see!
