The Line Between Us

There exists many lines between us,
The lines which still remains on us;
We intentionally forget some of them;
But they really remains on us as a gum.

The lines between us were once strong,
But we kept them in our heart as wrong;
Once these lines held up our bonds,
But now they are silent as ponds.

The lines between us were many,
Which is now not worth a penny;
These lines were the only joy we had,
Now, how come it is worse than bad?

The lines between us were many,
The fruits of it were tastier than honey ;
But as the healthy bonds become rotten ,
The fruits became rotten and rotten .

Many the lines between us are ,
The lines that tell has whom we are ;
Earlier I insisted in building new lines ,
I thought that they will grow as wines .

I thought that they would be so clear ,
And would be like the music that is
happy to hear ;

I wished that these lines would remain
forever ,
Like the flowers in heaven that blooms
forever :

After I grew up , I heard with terror ,

That.. lines.. between.. us.. won't.. last.. forever ;
People.. may.. come.. and.. go.. in.. our.. life.. .
And.. they.. may.. make.. scars.. in.. your.. heart.
..... with.. knife.. .

There.. were.. lines.. between.. each.. everyone.. of.. us,
That.. once.. made.. our.. life.. like.. a.. buzz ;
Some.. of.. them.. remains.. in.. our.. heart ,
Those.. which.. were.. tied.. tightly.. like.. a.. cart.. .

Those.. lines.. like.. one.. between.. our.. parents,
They.. inherited.. them.. from.. each.. great.. parents ;
Their.. lines.. at.. some.. stages.. would.. be.. a

But.. soon.. they.. will.. draw.. them.. straightly
..... and.. make.. a.. grove .

The.. lines.. sometimes.. hesitates.. to.. move ,

That for each and every line that flows,
There is a solution made with love.

Nowadays these lines are too short,
That they will even lead us to the court;
That's because of what these lines are built,
Not of love and care, but money and guilt.

When we make the lines between us long,
Our lines will be even more better like a
..... song.

Let the lines be strong and bold,
Not that one which shivers at cold.

The lines between us be made on love,
Each and every strand be made on love;
These lines should be the path to peace,
And ensure not to sting others like bees.

The lines between us builds the world,
And beautiful as a hare that is wholed;
Make lines between every person you see,
And make their lines beautiful as the
..... night at the sea.
.....
When the lines may become so hard to
..... draw,
Use an eraser and start as raw;
Erase your mistakes with the power of
..... love,
And make each and every cruel one bow,
.....
When God said to love your enemies,
It has also given the remedies;
Build a line between the lines,
And make it colourful like the spring
..... shedding leaves.

Each line between us has its own cost,
To love them even when they leave the
..... coast ;

Each line between us has a story to tell,
As beautiful as a baby from the heaven
..... that fell ;

Don't even try to break the line once,
It may even cost the life of our beloved
..... ones ;

Let the lines cherish forever and ever,
And let them continue like a river . . .

Make your lines strong with love,
Mend them with the peace of love ;
If you ever break the lines atleast,
Try to mend it very fast . . .
