

LITTLE KITES District Level Camp

The Little Kites residential camp at G. V. H. S. S. Mogral was a delightful experience that brought together technology enthusiasts for two days and one night of learning and fun. The camp provided a perfect blend of educational activities and recreational opportunities. The students were able to engage in various IT-related works, improving their skills and knowledge in the field. The instructors were knowledgeable and supportive, creating a conducive learning environment for all students.

The food at the camp was delicious and well-prepared, catering to different dietary preferences of the students. The organizers made sure that everyone was able to eat as much as they want and satisfied throughout the duration of the camp. In addition to the educational aspect, the camp also offered exciting activities such as campfire sessions, where attendees bonded over songs, creating lasting memories and friendships. Overall, the Little Kites residential camp was a well-rounded experience that provided both educational value and opportunities for social interaction and enjoyment.
