

TOPIC : THE HOUSE ON HOPE STREET

The happy smiles of people, who've sacrificed their life to make the  
2 ends of 'The life thread' to tie a knot. Seeing the emerald eyed beauty.  
running through the busy streets chased by her brothers. Just the tiny  
bit of time, forgetting all their worries they could be genuinely happy.  
The tiny droplets resting in the green-green grass was disturbed by  
his moss soft feet.... looks like a diamond anklet on her. Sunlight  
making her hazel brown skin to pure gold. 'Hey cicely' her brother.  
~~chasing~~ Couldn't help but giggle throughout the time while chasing  
her. 'Harry' (HARRY) Realization struck him, his whole  
body and mind to a shift from the beautiful yet painful  
memories about his sister whom he loves to the moon and back.  
'Hey Andrew, what happened why ~~are~~ are you yelling..'  
'Oh god! I'm yelling, how many times have I called you...  
do you have any idea' dramatically falling to Harry's lap.  
Andrew continued: "Hey what happened you were thinking about  
her right?" "Who cicely wow, wow wow you really thought I  
would think about that bitch?" "You know what you don't have  
to lie". Harry looked away, Andrew Harry's best friend the only  
red rose around the ice cold world, that's ~~was~~ what Andrew

Harry took a deep breath ~~before~~ before entering his room. He entered his house where he saw his father and ~~his~~ step mother together. He ignored them and went straight to ~~his~~ upstairs. "Harry drink some tea" Harry ignored his step mother. She sighed. "Whom do he think he is, oh god... I've got enough popularity because of my dearest daughter. I should teach him a lesson." Mary couldn't stop her husband James from torturing his son. He went upstairs ~~start~~ unbuckling his belt beating. Harry miserably. ~~It~~ But to Harry it was just another day in his life the belt did made marks of his body but it was not as deep and painful as compared to ~~his~~ the once of his mind.

Harry after taking the hottest shower he ever had came back to his room. Each corner was filled with the memories of his mother. He didn't allow the tears to ~~do~~ escape from his eyes. He took a book from his table ~~and~~ which was none other than his dead mother's diary. It was filled with

The torture she had faced her entire life was written on ~~the~~ her journal but what's interesting was that everything ended with a ray of hope. That was not just a journal but also was a ray of ~~big~~ hope for Harry. His mother's news failed to make ~~him~~ his mood lighten up. The positive mentality of his mother was ~~not~~ what which kept Harry go on. ~~It's~~ suddenly Harry's eyes fell on the letters on the floor he read it only to find that it was written by his sister's lover whom she runs with. "Answers welanli" ~~oh~~ god ~~how~~ the hell is ~~him~~ Harry read the letter which was addressed to ~~him~~. He couldn't control his anger, he burnt the letter and throw it outside of his window. He saw something strange, He saw a light and it was moving. He went outside, He followed it. It was a human, He saw a bracelet ~~on~~ missed it half way but he did saw a bracelet ~~on his~~ its hand.

That night Harry couldn't sleep. Next morning, Harry came downstairs to have his breakfast. Mary offered him a muffin ~~it~~. He coldly accepted it ~~and~~. His long sleeve got stuck on Mary's hand. He was annoyed ~~but~~ he and was about to leave when he noticed Mary's bracelet. It had the same ruby stone which he saw yesterday. Harry always,

Harry waits till midnight in the bushes. He saw Mary coming out from the basement. He followed Mary silently. He saw her entering a tunnel like cave. He followed her. He was shocked. He saw his dearest sister tied inside a cage. Harry couldn't control himself. He turned to his beast mode and jumped to Mary beating her till she passed out. He was not behaving normally he was like an animal even cicely's faint-crying didn't stop him. "On the blessed day, we could dance around..." Hearing his sister singing his favourite song, he came back to his sense. He was a crying mess.

Hearing the heavy footsteps Cicely panicked. "brother take mother with you and hide. please don't go!" Harry took Mary in his arms and hid beside a rock. He dropped Mary there as he was disgust.
