

The line between us

In the shadows cast on fields of strife
where echoes hum a somber fife
Soldiers march with heavy treads
Bearing Burdens, heavy like lead.

The realms of sylvan echoes wane
As a dirge unfolds, a world in pain
Hubris weilds its heedless might
as the verdant nations succumb to blight.

Driven by greed, a relentless song
Leaving destruction for a lifelong throng
Blood stained grounds, children weep
as the legacy of humanity sinks deep

Thousand cannons break the hush
As a war unfolds in a cruel rush
Crimson river stain the land
In the grip of a merciless hand.

The flags unfurl with tales untold
Of bravery and stories so bold
But, beneath the armour's steel embrace
Lies the fragility of the human race.

Smoke-stained skies, a canvas of despair
Footprints mark the path of a grim warfare
Brother against brother just in the name of a line
In the theatre of war, where acts aren't fine.

Let us yearn for a tranquil morn
As the fight continues which is now so norm
In the chaos dreams are laid to rest
as hopes are tossed by the fleeting quest.

Species vanish, their elysia gone
A symphony of life silenced at dawn
To glee from gaiety
destroyed everything under the gravity.

People whisper a silent plea
Captive souls yearning to be free
A line that should 'join' the ends of a point
Why 'seperate' us for a conflict?

Someone please remove this line between nations
allowing the breeze of peace to kiss us
Boycotting the machineries we pledge
to no longer bound, to the boundanes of grudge

Beneath the moon a ceaseless dance
Chance for unity if, given a chance
From the scars of battle let love unfurl
In the damage, new flags does swirl

For the embers hope persist
As the healing hands clasp iron fist
A dawn awaits where the echoes fade
For the olive branches to cast their shade

Amidst the ruin, seed finds its soil
In hearts once so hardened love does toil
Let the nations rise from the ashes glow
to sow the seeds of tomorrow!

For in the verse of a peaceful lore
we find the strength to war no more
"Because we don't need a line between us
we don't need a line between us."
