## WORLDS WITHIN US

We are scared of what's within us,  
Terrified of its tremendous abilities,  
All the faces we show and see around us,  
Is designed to cease all opportunities.

Several worlds hidden inside me,  
Danger lingering beneath this mask,  
Yet others see the charismatic version of me,  
The one that always leaves a spark.

Surprised by my unknown faces,  
I began to believe, 'I am the devil'  
The devil who hid in those faces,  
Yet 'he' saw nothing evil.

I was disgusted by my inner self,  
And all the worlds within me.  
Fed up with it, I exposed myself,  
Hoping the evil would no longer control me.

... The world questioned me for doing it.  
... Even when they hid a thousand faces.  
... But I lost all my hope in it.  
... As they humiliated me with their faces.

... That's when a light shone bright,  
... Breaking all the chains around me.  
... Including the ones I hid deep into the night,  
... He solved the impossible in me.

... Utterly lost in the abyss,  
... I was lifted by a hand.  
... I glanced up with graceful eyes,  
... Desperately at the owner of the hand.

... The devil in me shivered,  
... And everyone else's - I saw it myself.  
... The evil in us? Completely destroyed,  
... And it was the Lord himself!
