Empowerment of Youth

Empowerment of youth is the definition of wisdom

"The USA still draws its energy from its youthful immigrants who continue to pour in" - said the person of apostle of peace, Jawaharlal Nehru. Youth of a nation is the real strength of a nation. Therefore, the youngsters should have that willpower to attain goals in their life. As Dr. APJ Abdul Kalam said, the youthful society should be unique.

In the modern world of hustle and bustle, parents are busy with their jobs. They don't have enough time to spend with their children. "Family is not an important thing. It is everything". Therefore, according to me, empowerment of youth must start from their families. A youth is a child, a student and also the citizen of a nation. ~~There can be a~~ It is necessary to protect and subsidize them:

Make in India, a project started by our Prime minister Narendra Modi is a ^a big has a paramount importance. It is because most of the youngsters are working in abroad. Business Processing output (BPO) helps our youngsters to get a good job in developed countries like America. It is assessed that Indian youngsters have all the qualities for a well-settled job and they have the catching power and also ^{the} brain power.

But, even though, our youth ~~has~~ have mostly all

the qualities, the disastrous activities like unemployment, poverty, illiteracy, terrorism, regionalism etc are prevailing. We have to notice a devastating factor that India is developing in a stable manner, but we can't move up to a developed nation till now. Many famous personalities suggested that India will develop by 2020. But let us hope for it.

An expert said, "we can win respect in the world if we are internally strong and can banish poverty and unemployment from our country." In order to get rid of this pitiful situations, youngsters should be aware of the job opportunities. Counseling classes should be arranged. ~~to~~ Everyone is running behind white-collar jobs. But we must have that courage to choose a job that fits for our future.

The increasing ~~use~~ use of alcohol and drugs among the different sections of ~~society~~ society, especially the youth community really harms our nation's pride. ~~We~~ Youth can't be empowered, if we are following the same situation as that of the present.

"Education is the most powerful weapon we can use to change the world" - said the most powerful youth icon Malala. A well-developed education can certainly bring great changes in one's life. But in India, we are generally following the path

of bookish education. We must provide the youth quality education. ~~which~~ ~~practical~~ Practical knowledge may help our youth to empower more and more. We must practice global education. Visva Bharati is an example for one such institutions and it was developed by the versatile personality Rabindranath Tagore.

Terrorism has become a festering ~~weir~~ ~~weir~~ wound. It is an enemy of humanity. There it has to be evinced in for our country's development. The youth communities are the real victims of terrorism. ~~There~~ ~~for~~ there are many dangerous people who wanted to destroy the beauty of a nation. For that they make the youngsters as their target and offers them money and other unwanted things. The empowerment of youth is the need of the hour. We should ~~we~~ have a keen vigilance among the youngsters.

In this era, we can see that youth ~~we~~ communities are robbers, muggers and they ~~we~~ ~~are~~ deadly as a hit man. The rules and regulations of our country are not strong. According to me, we must certainly bring the laws into actions. We must take actions against the person who had done the mistakes. ~~the~~ If we are following ~~we~~ our rules and laws properly, we must ~~for~~ take severe actions against them. Then I hope that the

youngsters will surely get rid of unwanted things. Youngsters are generally teenagers. They have an insatiable curiosity to know and experience anything, except that is worth knowing. So that if strict actions prevail in our country, a few of the youth will follow good paths of life.

Cyberworld is another threat to youngsters' life, even though it helps us to become more digitalised. 'Is Society Dead?' is ~~an~~ ^{a great} ~~work~~ ^{work} by Andrews Sullivan which shows the situation of i-fod generation. There is a saying, 'technology should have freed mankind from burdens of his life. Instead, it creates new ones.' This is absolutely right. As I already suggested, it is the responsibility of parents, and teachers to make the youth free from all the mischievous things.

But there is a need to say that many famous personalities like Mark ~~to~~ Nikola Tesla, Lawrence G. Tesla etc came with their ideas during their young age. Actually, we can ~~under~~ understand that one should be aware of himself. There is a saying, "Do it now. Sometimes 'later' never comes."

Globalisation is now emerging and it is said that one day there will be ~~now~~ no borders, no boundaries, no flags and no countries; ^{only} ~~the~~ ^{passport} passport will be the heart". Therefore

we must make ~~about~~ youngsters more about today's situation: Newspapers, a nation talking to itself. Youngsters should be aware of the upto-date matters of a country. As Francis Bacon said, "Reading maketh a full man, conference a ready man and writing an exact man." ~~Youth~~ youngsters should enter ^{up} politics. Still politics have no relation to morals, may be a youth ^{can} ^{can} ^{can} ^{can} being ^{more} ^{moral} restraints back.

"Prayer is a key that unlocks all the storehouses of God's infinite grace and blessings." Recently we can see that the youth have no belief in God. To empower youth, to empower one's character there is a need of prayer. There should be healthier relations between friends, families and neighbours.

① 'Kiss of love' ^{and} ^{and} 'living together' are the activities that had undertaken by the youngsters of our country. Is this the real empowerment of youth? No! Our Indian culture is valuable and if we are destroying these values, no empowerment is the final result.

The best method to empower youth is ~~to~~ ~~more~~ make them involve in mostly all aspects of our nation. ~~that~~ For that, we have to develop more and more ~~development~~ ~~human~~ ~~resource~~ Youth are the

most valuable human resource. We have to utilize them in the correct manner. There is a saying proverb, "Sow the seed of habit and you reap a character; Sow the seed of character and you will reap your destiny."

Indian economic system has changed a lot and we are following the method of digital form of financial transactions like cryptocurrency (bitcoins). Youth are super computers. They have that willpower to grasp all the advancements of a nation.

Jishnu Peamey's murder and Purnabavore case are the most vulnerable situations that we had faced last year^{in India}. It shows the real problem of our society. Our youth are losing ~~its~~ their vigour today. Mostly they are desperate, miserable and depressed.

In western countries, we can see that the youngsters are flying bricks. They are always attempting to find more and more in themselves.

"Love yourself, ~~because~~ understand yourself and be yourself." Today's ~~trend in fashion~~ fashion trends provoke youth. It affects them badly. Even though our countries have fashion trends, they are not as our youth. What is the reason behind this? For me this is an unanswered question.

~~Devote~~ Many of the youth are spending time in front of social medias and Internet. Internet was ~~discovered~~ ^{invented} by the youth ~~to~~ ~~see~~ Tim Bernad Lee. He invented internet was a great benefit to the whole world. But our youth are not using internet or social medias in its right manner. We can also see that most of our youngsters are deeply influenced by films, film actors and moreover the characters of a film. Many youngsters ~~to had~~ had lose their lives. Is this the empowerment of youth?

How can we empower the youth is a big question. In India, there are many chances to help the youth. In my colleges, campus interviews are taking place. The famous personalities like Mahatma Gandhi, Jawaharlal Nehru, Bhagat Singh etc are the real warriors of all time. Our youngsters should make them as their role models. ~~As~~ Dr. APJ Abdul Kalam once said, "Dream is not that which you see while sleeping, it is something does not let you sleep".

A nation's culture resides in the mind and the soul of its people. ~~If~~ ^{if} ~~we~~ ^{we} are owned to a ~~empowered~~ ^{developed} nation, there should be a properly maintained culture and values and it has

be in the hands of the youth.

India India is a country having more and more freedom but no discipline. What India needs is not more freedom, but a ~~strong~~ strong youth who will join India together and teach discipline. Mahatma Gandhi ~~once~~ said that "the aim of university education should turn ~~onto~~ to the true servants of people who can live and die for the nation." If the true servants are our youth, then we can say ~~that~~ that ~~we~~ our nation owns a empowered youth.

~~India in its twenty century~~

Not only in India, the whole youth community of our youth world should acquire emancipation and empowerment. Since, youth of developed countries ~~are~~ have attained their empowerment, we must talk about the situation of developing countries like India.

Nation rises and fall, flourish and decay, ~~to~~ by what their youth's ^{culture and status} ~~community~~ ~~stands~~. ~~§~~ Youngsters and

Nation rises and fall, flourish and decay, by what their youth's culture and status stands for. As youth are the ~~the~~ citizens of a country, their dreams shall be ~~only~~ ^{the} reality ^{only} of

they wake up from their sleep and acts their role today.

Nature ~~should~~ has a great role in moulding up one's mind. But due to our busy life, so most of the people ~~don't~~ ~~doesn't~~ don't have enough time to spend in nature. William Wordsworth said, "Come ~~for~~ forth into the light of things, let nature be your teacher."

Parents have many ambitions in their life regarding their children. They are imposing their ideas and compelling their children to choose ~~the~~ what they like. From many experiences, we can ~~now~~ understand such children ~~to~~ are not able to manage their emotions. These ^{children} ~~are~~ the youth and they have the right to choose what they like.

"Child is the father of man." We must consider the youth as children. ~~and~~ ^{it is the responsibility of} ~~each and every one's~~ ~~responsibility~~ to empower them. There can be no keener revelation of a society's soul than the way in which it treats its youth.

Regionalism is like a pair of shoes. "Select one that fits for you, but don't make me wear your shoes." Some people who are ~~greatly~~ ~~or~~ ^{badly} influenced by the ^{extreme} religion may provoke the youth. As it is said, we must not make them wear your shoes. It will not empower our ~~yet~~ youth. ~~on~~ the other hand, it may ~~to~~ destroy our youth.

"The time to repair the ~~roof~~ is when the sun is shining".

Let us stretch our arms and allow the wind of unity and success carry us. ~~Let every~~

Let everything happen for the best. Unique youth can bring back us the unique culture and strategy of a nation. As By raising a better generation of youth, we are sowing the seeds of creation of a prosperous ~~unity~~ world, a safer world, a secure world and above all a world of mobility.
