Dharmathadka AUP School 2023-24 Kalikothsava - 12.03.2024

The Kalikothsava event at Dharmathadka AUP School for the academic year 2023-24 was a celebration of talent and diversity, showcasing various activities and achievements of the students. The event commenced with a prayer led by the students, setting a spiritual tone for the day's proceedings.

In the absence of the school headmaster, N. Mahalinga Bhat, senior teacher Ch. Rammohan welcomed all attendees, emphasizing the importance of Kalikothsava as a platform for students to showcase their talents.

Ashoka N. presided over the function, with Shanthi Y., a ward member, inaugurating the program and extending her best wishes.

The program was facilitated by Shankaranarayana Bhat, the manager of SDPHSS Dharmathadka, who praised the unique talents of each student and emphasized the importance of activity-oriented learning. MPTA president Jayalakshmi, AUP school manager Vijayalakshmi and senior teacher N. Parameshwari Amma also played active roles in facilitating the program.

During the program, the manager of AUP School Dharmathadka, along with the teachers, congratulated Mithinga Basumathari, a 7th standard student, for his outstanding achievement in sports. Mithinga had participated in state-level sports and National-level kabaddi as the vice-captain of the Kerala team. This recognition highlighted the school's commitment to nurturing all-round development in its students

Furthermore, the 7th standard students generously donated a mixer grinder to the school kitchen, symbolizing their sense of community and contribution to the school's welfare. The mixer grinder was handed over to the school manager, signifying the students' dedication to enhancing the school environment and supporting its operational needs.

Before proceeding with the student presentations, Shrinivasa KH, senior teacher, expressed his gratitude with a vote of thanks, acknowledging the efforts of all involved in making the event possible.

The event featured a diverse range of activities presented by students from different grades:

LKG Activities:

Singing a lively song that showcased their enthusiasm and unity.

Introduction of basic names of everyday objects, demonstrating their early language development and knowledge acquisition.

These activities by the LKG students not only entertained the audience but also demonstrated their budding talents and abilities. The simplicity and innocence of their

performance added a charming element to the event, setting a delightful tone for the rest of the day.

First Standard Students introduced modern communication tools such as telephones, TVs, and computers, emphasizing their significance in today's world.

Second Standard, Students engaged in chain reading of English stories and performed an English song, showcasing their language skills.

Third Standard, Students delved into social science activities, introducing the 14 districts of Kerala and presenting a song to aid in recalling them.

Fourth Standard Students performed a small English skit titled "Shoe Maker" and conducted news reading, demonstrating their language proficiency.

LP Malayalam Language: Students sang a Malayalam song and introduced Malayalam words and sentences, promoting the local language and culture.

Sixth A Standard Students participated in an English fest, engaging in various discourse forms such as storytelling, announcements, and songs in English.

Urdu, Hindi, and Sanskrit: Students from different language groups showcased their respective languages through skits, songs, and recitation of shlokas, promoting cultural diversity.

Science Experiments: Students demonstrated various practical experiments related to water purification and mixture separation, showcasing their scientific knowledge and skills.

Sixth Standard C Students presented social science activities related to the solar system, Earth's features, and concepts such as longitude, latitude, and leap years.

Fifth B Standard Students conducted a mathematics assembly, performing math songs, reciting math pledges, and participating in math quizzes, highlighting their mathematical abilities.

Seventh Standard A: Students presented Kannada activities, including a Kannada drama depicting the emotions of Asoka Maharaja after the Kalinga war.

In addition to the student performances and recognitions, various products created by the students were displayed for exhibition. These products showcased the creativity and innovation of the students across different grades, ranging from artwork and craft projects to science experiments and social science projects

The event was expertly coordinated by Gayathri teacher, who ensured its smooth execution and success. Overall, the Kalikothsava celebration was a testament to the diverse talents and academic achievements of the students at Dharmathadka AUP School.
