ACADEMIC MASTER PLAN 2025-26 HS-SCIENCE

AIM	ACTIVITIES	DURATION	TASK	FINANCE
1. To develop scientific aptitude among children	Conduct science simple experiments and science magic. Making models	Academic Year	Subject Teachers	
2. Reformation of Physics, chemistry and Biology lab	Arrange the lab equipments according to the subject	Once in a year	Subject Teachers	
3. Formation of Science club to develop scientific attitude	Conduct club meeting and implement related activities	Academic Year	Subject Teachers	
4. Energy Conservation activities	Celebrate energy conservation week and awareness programmes	1 week	Subject Teachers	
5. Relevance of Scientific days	Celebration of Scientific days	Academic year	Subject Teachers	

AIM	ACTIVITIES	DURATION	TASK	FINANCE
6. Participation in science fairs	Enhance the students for participation	Academic Year	Subject Teachers	
7. Organise seminars, projects and practical learning activities	Field trip, quiz and awareness class	Once in a year	Subject Teachers	
8. Laboratory equipment usage training	Train students to use lab equipments and follow safety procedures	Academic Year	Subject Teachers	

ACADEMIC MASTER PLAN - H.S. MATHEMATICS

OBJECTIVES	ACTIVITIES	TIME	TASK	FINANCE
1. Concept attainment	conducting pretest and preparing list, Maths clinic	June	Teachers, children who are ahead.	
2. Achieving capacity in constructions	Availability of instrument box, workshops	Last week of June	Teachers	
3. Relating mathematics to everyday life and understanding the importance of concepts.	organizing a field trip	Once in a term	Teachers, P.T.A	
4. Familiarity with mathematical shapes and quantities that arise from mathematical concepts	conduct workshops and organizes club activities	once in the academic year	Teachers, maths club.	
5. Create team spirit	Group study	Through out the academic year	Teachers and group leader.	

OBJECTIVES	ACTIVITIES	TIME	TASK	FINANCE
6. Teachers are working in a timely manner, enabling continued learning from the youngest classes, thereby strengthening the foundation in children.	The goal is achieved through collective action, including excellent work, interaction, discussions and lesson planning by the Subject Committee.	Academic year, ongoing activity	SRG convenor, Senior teachers	
7. Student's best thoughts in mathematics	Maths village: It is a community of children and maths teachers from nearby areas.	On Saturdays and other holidays	Teachers	
8. To the maths fair: Achieving energy and efficiency in fairs	Improves activities of maths club; Encourages to participate in competitions.	once in a month.	club Secretary, Teachers, P.T.A	
9. Maths lab	collecting necessary learning materials for lab through workshops.	November-December	club Secretary, Teachers, P.T.A.	

OBJECTIVES	ACTIVITIES	TIME	TASK	FINANCE
10. Raising awareness among parents	Assigns tasks to be performed by a P.T.A Per month	Once in a term	Teachers, H.M, PTA President	

ACADAMIC MASTER PLAN FOR HS SECTION 2025 - 26

OBJECTIVES	ACTIVITIES	PERIOD	FINANCE	RESPONSIBILITY
To Promote democratic values. To make an awareness about civic conscious	Submission of the manifesto, Propagation, Meet the Candidate. Election is conducted using ballot paper. Formation of School Parliament by organising mock Parliament.	Once in a year	School PTA	SS Teachers
