Pathroes was a simple farmer . That year he was expecting a good harvesting . His crops needed a heavy rain or at least a shower .

That afternoon it began to rain heavily . A strong wind came with large hailstone . It hailed for one hour . The corn was totally destroyed . Pathroes soul was filled with despair and sadness . He knew only god could help him .So he wrote a letter to god begging to send him a hundred pesos . He wrote the address as “TO GOD”.

The postman saw this stranger address and showed it to the postmaster . The postmaster was surprised to see the faith of this innocent man . So he collected seventy pesos and send it to Pathroes along with letter .

Next day Pathroes reached the post office . The post man handed over the letter and seventy pesos to Pathroes . Pathroes was a little angry when he was only seventy pesos . There was some mistake he thought He wrote another letter . He requested god to send him the thirty pesos immediately . He was in great need He remained god not to send it through the mail , because he doudted the employees were not honest .

# NATURE

Nature is a extra - ordinary creation of the creator . It has the ability to pacify one's mind . It is a connecting link between creator and man. One has to learn many things from nature and hence nature become the greatest teacher .

“Nature is the mother of the every creature.

Sleeping on the lap of the nature

Hearing lullaby of chattering insect , singing wind , dancing flowers,

When a brook over flows its music evokes happiness

When a bee sucks honey , shows taking good things from others

When a time seed becomes a tree shows the hardship in life to

attain success.”

Thus , nature provide morals , knowledge ,inspiration.....It has a medicine to specify one's emotion . Observing nature helps me to gain many new thing that are helpful in one's practical life observing deeply nature was a pleasing movement to one's sensor . Each and every aspect of nature has its own significance.

Nature , like a mother, who lulls and care every creatures who indeed sacrifices herself for us she even fulfill our dream but we knowingly or unknowingly tries to demolish her . Like a mother, she forgive and care but when it continues to excess , at the supreme level she cannot control herself and pours out.....

# *EDUCATION IS MORE IMPORTANT IN OUR LIFE*

Value education is the fine art of moulding the consciousness of children towards nobler and finer living .Value education compasses the traditional values of moral science and much more .Any quality that a society needs becomes a 'value' for it .Hence value education includes not only universal values such as truth ,love ,courage and faith but also socially relevant values such as self -reliance ,civic consciousness environmental awareness,patriotism and tolerance .

While regular academic education is 'information' aimed at economic self-reliance ,value education aims at 'transformation' and emotional self-reliance .Thus value education complements and completes academics subtly guiding children to become useful and supportive members of society .

## നീയെന്ന നാദം

ഭേദമാവാത്ത ഭ്രാന്തായിരുന്നു

നീയെന്നിക്ക്.....

എന്നിട്ടുമെന്തെ ഞാൻ നിന്നിലേൽപ്പിച്ചു

സ്നേഹത്തിൻ ചങ്ങലപ്പെട്ടിച്ചെറിഞ്ഞ്

എൻ കാണാമറയത്ത് ഓടിമറഞ്ഞത്?

സ്നേഹതാമരയിലയൽമച്ച്

ഗമിക്കുമ്പോള് മുതൽ സ്വച്ഛനിദ്രയിൽവരെ

നിന്നെ പൂജിച്ചത് എന്തേ

പൈങ്കിടാവേ നി മറന്നുപോയി

ആകാശത്തോളമുള്ള യാതനകൾ

ഞാൻ നിന്നോട് പറഞ്ഞതല്ലയോ!

അറിയുന്നില്ലല്ലോ അറിഞ്ഞുകൊണ്ട്

ദുർവിധികടിച്ചെന്ന് മിഴിനിർവറ്റി

കരയുന്ന എന്ന് നീ.....

എന്നെ നിൻ അസാന്യധൃതിൽ  
ഞാൻ എന്ന ഈ ജന്മം  
നിർജീവമായി തന്നെ ജീവിച്ചു തിർക്കും  
നീയെന്ന നാദം എൻ കരൾക്കൊപ്പം
