

CLEANLINESS

Cleanliness should be the first and primary responsibility of every one. Everyone should understand that sanitation is also very important as food and water. It is a good habit that everyone should have for a clean environment and ideal lifestyle. Keep yourself physically and mentally clean. We should always wear our clothes pure clean and good. It helps in creating good personality and influence in society because it shows your good character.

It should be started from home, colleges, communities, offices, schools so that there is a clean India revolution in the country at large scale. We need to keep ourselves, home surroundings, society, community, city clean every day. We all should understand the goal of cleanliness, importance and need and apply it in our daily lives. In many schools hygiene is promoted among children in schools such as cleaning of school area.

To make our future bright and healthy, we should always take care of ourselves and the environment surrounding us. We should take bath with soap, bite nails, clean and ironing clothes everyday.

How to make our future bright and healthy we should always keep ourselves clean and tidy.

To save infection from the spread of the home or surrounding and the complete disposal of the dirt, we should keep in mind that the dirt is only put in dustbin. Cleanliness is not the responsibility of only one person but it is the responsibility of every citizen of home. We must swear to keep India clean so that neither we will slander ourselves nor allow anyone to do it.

In conclusion every man must maintain cleanliness. Whether it is an individual effort or the collective effort of the government. In order to maintain cleanliness 'Swachh Bharat Abhiyan' was launched we can learn from it and be a part of it. If everyone does their bit responsibly we can make earth cleaner and greener. As we all know Cleanliness is next to Godliness.
