THE LINE BETWEEN US-THE DEATH

.. Above me, endless stars unfurling. I laid there aimlessly Remenescing our love. Pangs of cries echoed within me. Turning my soul into a knot; A twisted knot Beneath me, the bare shaken ground stood Itching me to follow your soft gales Yet you are invisible My bad, I can't see you My bad, I can't hear you My bad, I can't reach you Within me, roars of thurder echoed. Wished our book to be endless.

For everyone, you're just lifeless bodes For me, you are my soul. You flew away with my soul. Leaving a lifeless body behind What came between us? The line, The cleath Life; a hour glass on run Final destination unknown But mine would only end at you Heavenly cursed and heavily sinned I stood there,	Whom did I lose you to? To fate - The cleath' Yet you're just six feets below
Leaving a lifeless body behind What came between us? The line, The clearth Life; a hour-glass on run Final destination unknown But mine would only end at you Heavenly cursed and heavily sinned I stood there,	For me, you are my soul
Life; a hour-glass on run Final destination unknown But mine would only end at you Heavenly cursed and heavily sinned I stood there,	Leaving a lifeless body behind
But mine would only end at you. Heavenly cursed and heavily sinned I stood there,	Life; a hour-glass on run
	But mine would only end at you Heavenly cursed and heavily sinned
The abode of nightingale is bare.	Walting for my turn

Flowered frost congealed in cold air Grusts of wind whispered. The forever story of ours Faite, the hell disguised as heaven Tricked you into a deep slumber.

The fire within us lunned into ashes Crumbling my soul A hollow space in my chest Piercing them with sharp needles Bleeding it out

> Bounded to the Earth I stood there. Shackles of pain Put a veil on me I daink pain in every delight And poison in every sip of wine

 The beams of light flickered
 Whispers of incantation.
A heavenly presence
A familiar smell hits my nostrils.
A war within me,
To live or to die
 TT
The red vaulted sky
 Descended to hug me
 My weary eyes
 Waiting to shut down
 Still, I hold onto my life
For minutes or seconds
No longer, I hold onto my life
Loosening my clutches on Earth
. Come dear moth, dear death
 . Come and whisper to me
 Here I am, with a mighty sword.

Manoeuvering the sword,
I battled with death
Surrender to me,
For the love of my life
I pleaded to help me
Yet, Death turned a deaf ear
The line, The death
came down on knees
Our love defeated it
My soul tore from my body
Marking my victory
Ascending to the heavenly realm
For a glimpse of you
Leaving behind a broken line
