SCHOOL LIFE

We all know school life plays an important role in the character building of a person.

So it is very important to make it beautiful and bright. Our school made so many students life bright. There are histories proving it.

Now also our school is following it. There are so many programmes for that. Different Programmes were conducted in special occasions and were given prizes to them as an

encouragement. We are sure that this will help them in any kind in their future journey.

Those of the same kind only flock together a swallow would not be seen to join in a group and vice versa some special kind of bird which cross the seas in a search of warm region go in flock this is because a bird can be comfortable only in a flock of its kind this is the case in human beings also those with similar tastes and interest often form groups and associate with one another they might not be feeling comfortable in a different sort of company which he keeps if he moves in circles of drunkards he will similarly if he keeps a company of holigans the person will contain twin cut to bear out if he moves among a wide of refused men his activity is also likely to be announced like wise bad company can spoil his character to the most if he moves them

Once upon a time there was a farmer lived in a small village. He was very honest and poor. One day ,during his work he got a treasure . He was confused what to do? At last he decided to give that treasure to the king . The king astonished because of the honesty of the farmer. The king rewarded him that treasure . The farmer become very rich . Gone away with rain...

Everything Anything Everything
is gone away with rain....
All living things and shacks
were gone away with rain...

Later human destroy our
nature and its resources
As a result we are
now suffering that
We are flowing with it .

Oh, human for what
you are doing like this?
What did you dare?
One day you will die...

Oh God please save our
God's own country from this
tragedy
And please kind to us
Everything is in your hand
