Subject: Leave Me Alone, Let Me Fly
I Finally Find my paths

I remember the day, when I started my -
schooling holding my father's hand.

At the beginning of the June, I look like a moon.
I sing a song, the rain also joins.

we walk through the slippery slope, suddenly
a raindrop kissed my little cheek, The
Thunder roared like a Lion, hide the lightning
My father always encourage me, He always says
"betty never give up and chase your dreams."

The whole night the rain continued his tears,
when I wakeup, I saw strange faces around
me, I tried to find my parents, but I couldn't
My eyes filled with tears, My whole body started shivering.

Suddenly a old, tall round man came towards
me, He take me from the camp, he gave
some chocolate, and said that he knows ^{where} ~~he~~
^{were} my parents are, and he locked me in a room

Years passed, ^{hens} ~~lizards~~ and calfs are my new friends, Kitchen and chickenscoops are my new classrooms, The old house and gaudens are my new world, And now

I am like a river, The river never ask ^{his} ~~the~~ ^{paths} one day when I walked through The forest, I saw a old growth oak tree, I found a papper and it filled with so many letters.

every day, I saw many kids going to The school, And always remember my past days. At That night, My beloved father came on my dreams and said "betty go and chase your dreams, I always with you".

Those words are enough to make me better and I decide to escape and chase my dreams and finally I say goodbye to my ~~hens~~ friends and The old house and finally I escaped.

~~Now~~ And I gained education, Job and so on,
I always remember my father's words,
the old man who looked my life in the
old house and my friends,

~~I~~ ~~At the most~~, I ~~Thanked~~ my
father's words,

~~And the most~~, I missed you so much.

My beloved father, I miss you so much,

You are the one, who gave the strength

in my path, Your words gave always

encouraged me, How can I repay my

debts gratitude?
