**ANAKKOTTUPURAM**

## **INTRODUCTION**

Anakkottupuram GILP School has taken up English language development as a unique activity (SPLASH) for the academic year 2025.26. Continuing on last year's activities, more activities are being Implemented this year.

This decision to focus more on English language development was made after realizing that even english medium schools in public education are lagging in handling English language. For this, the academic master plan is created.

## **Objectives**

- ➔ **Communicate Confidently in English**
- ➔ **Indipendend reading and writing of English compositions.**
- ➔ **To Enhance Student's English language Skills,**
- ➔ **To participate confidently in global Interactions**
- ➔ **To enhance communication skills, boosts Confidence.**
