

Shadows of Memories

In the cold night...

sitting under the olive tree, thinking of the old times

I wonder... where are you now?

those memories ruthlessly betrayed me

the part of my heart you stole... left in the darkness

like an infant wondering aimlessly

Every night... when star shines.

I'll wonder why you leave me...?

or... are you still hidden in the darkness?

All these years... I realized that I'm nothing without you... my love

you're the light of my life.

A white flower in the black field...

Walking straight to further... a long way to wander

For me and you... truly for us. Expectation is better than the harsh

reality... you made me believe this fact.

From the darkness... in search of light.

One thing that made me do all these things

aftermath of all my sins...

I'm still stuck in the shadows of your memories...
