What we as students Can do to build
a new Kerala.

As Nelson Mandela Said,
"Education is the most powerful weapon
which can be used to change the world."
Therefore, education Consuming Students
are the best way to build not only a
new Kerala, but also an entire new
world. Children, especially Students are
the backbone of Our Society.

Students in Kerala.

Kerala is the state in India with
the highest literacy rate of nearly a
hundred Percent. We Can See the results
of this rate in Kerala as Innovations,
organisations, entrepreneurship, writers
etc...

Item Code:

The responsibility of a student is to be responsible in the Society, thereby taking part in the building of a new Society, new Kerala.

Build Kerala.

"The stability of a state is ability of it to empower its People". The Basic Needs of an Individuals include, Health, food, shelter, etc... Providing this basic needs to Individuals are the best source to rebuild Kerala to a new one. As, through social media we are witnessing the poverty and sufferings of many people in Kerala, we in our own neighbourhoods. Having a self-helping mentality and humanity can definitely be a ~~chang~~ factor that can

Participant Code:

406

build a new Kerala. Students, through Schools, and Collages are meeting many, from many different families living in different Conditions. So, they will be able to Interact and Understand the Situations of others too. As Once a wise man Said, "The development of a Society is not only by it's technological advancement, but also by the depth of their kindness and Compassion".

Drug Awareness.

Drug abuse is the most Common as well as dangerous Situation facing by our Kerala. Especially, Drug abuse is effecting the students. As students Can be bothered about the dangers Caused by drugs and its results.

Item Code:

644

Participant Code:

406

That Can be Positively Impacted in Kerala. Students and Peer Groups Can Provide awareness to other students who are trapped or to be forced to use drugs.

The actions to support government's drug abuse awareness such as 'Vinsukathi' by students can be a ~~corner~~ corner Cross Initiative.

Natural Disasters

Kerala also known famous as Crook's over Country is facing the worst situations of landslides and other natural disasters. Stand with the Government or Organisation for the 'Rebuild Kerala' Initiative organised after the Great Mundakkrai landslide in the present situations.

Item Code:

644

Participant Code:

As we know, Several Schools have been destroyed by the landslide. Thousands of Students are yet facing difficulties to cover the Syllabus and to go with the studies. ~~Students~~ Other students can help them cover their Syllabus and also take part in the 'Rebuild Kerala' Campaign.

Innovations and technologies

Innovations and technologies are however developing factors of a state. Students are the best ones who can contribute to our Society. Students who are interested in technology with a good mentorship can definitely contribute to the Society. Inspire awards and YIP are initiatives of the Government to

Item Code:

Receive technological ideas from students. Students, can provide their innovative ideas and get benefits.

Technology has become an unavoidable factor in our daily life. Students with ideas or solutions for the problems of Kerala can make a good impact.

Citizenship

Citizenship is a great factor that will help to build a new Kerala. Being responsible students can make good impacts. The concept of responsibility is provided to students from schools. Hence educated students are perfect to build a new Kerala. That's why, several social reformers of Kerala strived hard for education of children.

Discriminations

However, Discriminations of Caste, Sex, Creed, religion, etc.. exist in this era also. Students are Intelligent and Forward thinkers who can ~~str~~act against such discriminations. That will positively affect the mental health of the people.

Environment Conservation.

Environment is the unavoidable factor behind our lives. As we all know, Our earth is facing Crucial Situations. It's results are visible in Mundakkai, Puththumala, Kavaleppara etc.. Especially, a state like Kerala facing this much Natural disasters, Conservation of environment is an important factor.

Item Code:

644

Participant Code:

406

Students are the best Groups who Can lead awarenesses about the ~~harm~~ dangerous Impact of ~~Natural disasters~~ our activities that will affect environment badly. Planting Saplings, conserving environmental and ecobotsspots are best way to get rid of Such disasters. Students Can take Initiative to there type activities.

Provide Education.

As mentioned, Literacy rate is High in Kerala, Still, children of Somewhere are education-less. Especially, SC-ST regions of Kerala face this Problem. Awareness to them, the advantages of education Can be a Gamechanging Initiative by child Students.

Development of Scheduled Tribes and Scheduled Castes

In this Present Condition also, Scheduled Castes and Scheduled Tribes in Kerala are standing lower in educational, academics, sports, arts, development etc... Students can bring up them by Initiating Several Project that will also help in the building of new Kerala.

Gender Equality

Yet another factor to develop Kerala is Gender Equality. In Schools, Government of Kerala has already Initiated Projects Such as equal Uniforms. The Forward thinkers, as students can also be bothered and aware about the benefits and the advantages Our Kerala

will have by maintaining Gender equality. Otherwise, in most of the areas, women were restricted. So, the abilities and Contributions of them will would be limited. Gender Equality opens opportunities to both genders.

Schools, Colleges and other educational Institutions are the best place to start every new Projects that will help to build a newer gooder Society and Kerala.

Social media Usage.

According to the reports, most of the Students are Committing death by the Overusage and Negative Usage of Social media. This is also one of the Important Problems faced by Kerala. Humans kind is grappling through the Consequences and Solutions of this

Item Code:

644

Participant Code:

406

Problems." "As morning defines a day,
the childhood defines the life." The factor
that makes life defined in childhood is
education. It is an important factor.

An educated student can never be
entered ~~to~~ into problems like this Neg-
ative Usage of social media. Thus,
students can make our Kerala more
better by getting rid of activities like
this. Social media's Positive Usage by
students can contribute to our Kerala
effectively.

Sustainable development Goals
of Kerala.

SDG or Sustainable development
Goals of Kerala Paves the Planning for
building a new Kerala. As students

Can obey and work for the Sustainability of Kerala. As Sun sets on one direction and rise on another, they there are infinite opportunities for us to build a new Kerala. Students Can take there opportunities Seriously to perform their abilities and duties.

Increase of old age homes.

The day by day Increase of old age homes badly affect the mental health of old ages. This is a great challenge we face in the building of Kerala. Students Can Collectively think about the Consequences of this Problem.

We witnessed the story of a child who met her grandmother in old-age home during their School's

Item Code:

644

Participant Code:

406

Visit to an old age home. These Situations Create thoughts in Students' mind. Thus, this will be helpful for the Concepts of new Kerala.

Increasing Economy

Economy is an Inevitable Component in building of new Kerala. It is needed for several things. Tourist Places are good source of economy for the good's over Country over Kerala.

The Tourist rate decreases as the natural disasters happened in wayanad. Students Can take Initiative to Call back tourists by Publishings, advertisements and moral, moral activities.

Report Violations

The Best Impact Students Can make in our Society to build a new Kerala is to report and act against the Violations and faules.

Our Society is taking Students Complaints and Suggestions Seriously. So, That Can make a better effect in new Kerala. As Nelson Mandela Said "Injustice anywhere is threat to Justice everywhere"

As mentioned, Students are the backbone of our Society. The Small actions done by each Student multiplied by thousands and lakhs Can ~~make~~ build a new Kerala of Beautiful changes. Martin Luther King once told everything seems Impossible

until its done". But she would impossible
as it self Says I'm possible. A
Better Change in our Society and Kerala
is definitely possible through Students.

Let's work together to build a
New Kerala.
