TOPIC : DREAM OF A REFUGEE

'A WORLD ABOVE ME'

On a chilly winter night, I just gazed to the sky.

Laying on the ground and above me is the whole astronomy!

Where the twinkling lights revolves around their majesty moon.

Wow! What a mesmerising view it was!

Going deeper and deeper to the vast sky,

I too found that..., inside the dark me

There are still lights glistening like a star!

A smile broke out on my face... an' mouth says 'maybe a hope'?

Suddenly, a cool breeze washed through my hair

Just like it was answering me a Yes!

But, I am a refugee mom an' have a family too

Like, how can I just accept the hopes by nature?

From then, my heart, like a child with her toy

Gets excited and was about to come out to play.

'I wish I had a home' too.....

Wishing upon the stars made me go a little ease!

Yes! it was a two-storeyed house

As white as a snow mountain

Just like how snow covers them,

I too had become a snow wrap around my family!

The morning started as usual with the cooker sound,

Son... Son... wake up! Oh! he never listens...

The other side is my husband, going through each word
of the daily newspapers, shouting 'I need a Tea'!

While I was in the kitchen, making their favs,

And packing their lunch boxes made my heart go easy.

Even in the middle of morn' hurry busy

I never forgot to check upon my new green inmate in garden!

After sending them, the house goes into deep silence...

But me, just plays 'Rocking Lane' song by,

Rock band and dances to each steps slowly,

While the water from clothes began to dry.

It's evening ... the tea time of the house

I eagerly waited for two of my inmates.

Before an hour ago, bought their favourite

cupcakes from the nearby mart!

*

Here they comes! 'Mom' ... screams the boys;

'Hey! whats up!' my man comments from door.

And the next few hours will be the story time.

Hearings their tale and laughing my hearts out!

Now! It's already been late night

It's time for us to in bed.

We three layed there, our son in middle, who'll be in dreamland

While 'Me and him' shares our concerns for future!

Before closing my eyes, taken a look at them,

what a peaceful night! A peaceful mind!

I wish that 'this' shall never ends...

'Me with my family' with that sleep overtook me!

And with a loud shock, opened my eyes,
By the call of my son at the other tent.
'Mom ... Mom ... Are you sleeping over here?
we are already full! You should eat too ...'

The reality just hit me to pieces...
where I am and what I am!
Still the stars were gleaming brightly
As if like it was giving me a smile!

Standing at the women's line to get food,
I thought about them...
where in my dreams, I serves them the meal
with whole hearted love and care!

It was bed time, laying at the ground
made me think about the stars!
Even their majesty can't bring them together!
They too are scattered here and there, like us...

Who will see their sorrows..?

Is their majesty watching them? I don't think so...

But here I am... , in the ground , where

I can feel your lone heart
