Three things -poem

Three things to respect-

old age, religion and law

Three things to admire-

intellect, beauty and music

Three things to cultivate-

sympathy, cheerfulness,

and contentment.

Tree things to stick to-

promise , friendship and love

Three things to govern-

tongue, temper, and action

Three things to avoid -

drinking , smoking, and gambling

Three thing must for a good life

God, prayer and knowledge.

GOD YOU ARE GREAT

I wonder , how god planned the earth It feels so firm and safe I chase my ball , I play marbles Run jump and dance Still ,the earth is safe beneath my feet I read in the words of God"" Long ago , the water covered the earth When mountains grew high And soft valleys came in between Then the water sank below Into the deep cracks of earth As God planned for them to do I bow my head to say Thank you God, I love thee"" You make everything perfect Beautiful and shining around me The animals on the land The fish in the sea The people on the earth All remind me;God,you are great

FROM A RAILWAY CARRIAGE

Faster than fairies, faster than witches
Bridges and houses, hedges and ditches;
And charging along like troops in a bottle
All of the sight of the hill and the plain
Fly as thick as driving rain;
And ever again in the wink of an eye,
Painted station whistle by.

ANOTHER CHANCE

How often we wish for another chance

*To make a fresh beginning
A chance to blot out our mistake
And change failure into winning*

*It does not take a new day
To make a brand new start
It only takes a deep desire
To try with all our heart.*

The cat in the snow storm

One day there was a snowstorm and a cat in that snowstorm. The cat was very sad because none of her friends came to her home. One of her friend had a dog who loved snowstorm. It was not long before her friend and her dog came to visit her. She was not sad any more.

The Superman

Woke up this morning Started to sneeze
Had a cigarette and a cup of tea .
I looked in the mirror what did I see,
A nine-stone weakling With knobbly knees .

I did knees bend press-up Touched my toes.
Had another sneeze and I blew my Nose.
I looked in the mirror At my pigeon chest .
I had to put on my clothes Because it made me
depressed.

Surely they must be a way For me to
change the shape in
Dissatisfied with what I am.
I want to be a better man.....
