

LOOK IN TO ME AND REALISE

My mind was irritated,
disturbed and isolated.

When I was climbing
the steep mountains.

When I saw those mountains
with my sad mood,

I thought of climbing
those beautiful mountains.

While climbing those mountains

I realised that, My sorrows
and disturbance and gloominess
was like a Mountain range.

At that time it taught me that

All those things are temporary.

Forget it; move forward

climb up, climb up and climb up.

I felt like those trees and plants
talking to me, motivating me
saying that, in life everything
happens on its time, don't be worried.
I kept moving forward
without looking anywhere.
At that moment I fell down,
with a small injury in the knee.
I didn't take it serious
As it was too small
comparing to problems faced
in life, I continued moving forward.
It was too difficult to climb,
the uppermost level of mountains.
I was tired to move, but someone
told me; never give up :-
I reached the top of the mountain,
felt so happy and wondered,
and also I was lost in the

mind blowing beauty I saw there.
I lost myself in the beauty
and the beautiful visual
which my dear mother nature
gifted to me in the most difficult
situation in my life.
Helped me forgetting all the sorrows,
disturbance and my loneliness.
I sat there, speaking to my mother.
Said all my sorrows and irritations
expressed my loneliness in the form
of tears and all my problems in life.
After a moment I heard a voice
which my mother nature said to me:
"Dear child, don't be worried... stop crying...
all those sorrows are temporary.
Look into me and realise one thing,
Your life is vast as how I am.
My time is to enjoy and not to destroy.

..... Close this chapter and start a new one,

..... Never open it and forget it

..... Love the life you live .. my dear .. "

I wiped my tears and feelings ..

Thanked my mother nature for the gift ..

Climbing down the mountain with a new chapter ..

Without worries, loneliness and disturbance ..

With a happy, lovely and peaceful mind ..

This is what happened ..

When I was on the Mountains ...
