# Education

*“Education is not the learning of facts,  
but the training of the mind to think”*

*-Albert Einstein*

*“Live as if you were to die tomorrow  
learn as if you were to live forever*

*-Mahatma Gandhi*

*“Education is the most powerful weapon  
which you can use to change the world”*

*-Nelson Mandela*

*“the highest education is that which does  
not merely give us information but makes  
our life in harmony with all existence”*

*-Rabindranath Tagore*

*“One child,one teacher,one pen and one  
book can change the world”*

*-Malala Yousafzai*

*“Teaching is a very noble profession that shapes  
the character, caliber and future of an individual  
if the people remember me as a good teacher  
that will be the biggest honour for me”*

*-APJ Abdul Kalam*

*Adarsha.T  
9 B*

*Education is the passport to the future for tomorrow belongs to the people who prepare for it today*

# FACE

*Face is the mirror of mind*

*Face is the truth of mind*

*Face is the lie of mind*

*Face has many faces*

*That makes many figures*

*Figures make the world*

*Figures are the parts of the world*

*Figures have many types*

*The types of figures are real*

*Reality in the beauty of world*

*That has no figure*

# CONSERVATION OF NATURE

Conservation of nature is basically the conservation of resources such as air, water, sunlight, land, animal, life and minerals. All these resource are obtained from nature. Nature is precious to life all human beings and living beings are dependent on nature. The modern lifestyle and modern technolgy create very bad impact on natural resources.

Trees are an integral part of the nature. All organisms depend on trees for fresh air, food, shelter and shadow. But humans cut down all the trees to make their life luxurious. Birds lose their habitate. Smoke from factories causes air pollution. Volcanic eruptions are one of the natural causes of global warming. The ash and smoke released during the explosion goes into the atmosphere and affects the climate. As the earth's temperature rises, more water evaporates from the water bodies and stays in the atmosphere causing global warming. Plastic deposition in water bodies causes many environmental problems. All aquatic life becomes diseased. In nature, the amount of fresh water is decreasing and instead the amount of polluted water is increasing.

Humans are destroying the forest and because of this the animals in the forest are deprived of food and water. That is why a wild animals come to the inhabited area in search of food. The main causes of natural disasters are deforestation, pollution, ocean currents, soil erosion, global warming, mining, seismic waves etc. Agricultural practices, mining, deforestation, etc.can lead to land slides, plants and animals can also be damaged by wildfires.

We have to protect the nature for our future generations. It is the most appropriate him to react against the bad activites of humanbeing towards nature. It is the duty of every one to conserve our nature for the future generation. Integrated environmental education can provide knowledge which is useful in sustainable managment of natural resources conservation of biodiversity is the most essential for the upcoming generation.

## An article on drug abuse

Drug addiction has become a serious problem all over the world. You might think that not every one takes drugs, but surprisingly this has become a life style of some people. Drugs are very much a part people who where normal once up on a time, due to many difference reasons.

On using drugs our surroundings are illusionized. Drugs can alter important brain areas that are necessary for life sustaining function. It reduce appetite or not eating a balanced diet. It results in long term health impacts such as liver, kidney and heart problems or cancers

It alters human behaviour such as mood swings or increased aggression towards others. Drug users may even become aggressive and violent towards other people, even their family and friends. For this reasons and more drugs can destroy friendship.

It is important that the listening to what they are going through, and helping them decide what their next step should be. Let them know you're there to help, and you're not judging or blaming them.

"There's not a drug on Earth that can make life meaningful"

-Sarah Kane

## Where The Golden Light Spreads

The hill stretched out to a vast land of vibrant colors and happy voices. The evening sun was set low in the vast yellow sky, its golden light shining on the world below. Its light dancing in the baby green leaves of the peepul trees. The shadows of the trees cast upon the stream running down the valley. Its sound a gurgling noise to calm the listening ears.

The small white houses with red roofs piled up close to the stream. The mothers chatting to each other with a never-fading smile on their sweaty faces. Laughing at an absurdity their husbands have made or at the stories their children told after coming home from school. A hand of theirs on their hips and the other on the broom. Or busy doing laundry. Or knitting. Or making a batter for dinner. But never staying at their sides; resting.

The paddy field at the far west looked as though it has trapped a couple dozen farmers. The field colored by joyful greens and yellows. Swaying slightly at the breeze. The farmers busy as the end of the day neared. Their bodies thin and tanned, sweat sticking to their muscles. Their eyes speaking a thousand

different stories. Their fingertips weaving the future. Their mind set to make it all better for their children. Their mouth set in a lazy smile at a joke one of them has cracked.

The children laughed along with the chirping of the birds. Their small feet making it across the stream. Their voices carrying the wildness of a carefree beast. Their hands in the water to splash it at their friends. Their eyes shining with happy tears, their face glowing with the beauty of childhood. Their sweat damped uniform clinging to their bodies. Those wicked eyes chasing a squirrel or a rabbit or a butterfly. Their bellies demanding the delicious meal awaiting them at home. Their bodies seeking the warmth of their father and the rest of the story from last night.

The shops closing as the sun sank low. The people returning to their homes and the livestock to their stables. The chirping of the birds grew louder as the village quieted. The golden light fading; gone till morrow came. The trees silently bidding them goodbye.

# LEARN

In the earth  
Many aspects to learn  
we have a passion to it  
It's so simple

In the universe  
Nobody learn all  
Each and everyone  
Is not perfect

Man is not ready  
to become a starter  
Laziness may be a cause  
Man ready to eschew it

If you believe that  
you do your best  
we don't worry  
About yesterday

# WHERE THE MIND IS WITH OUT FEAR

Where the world has not  
Where the mind is with out fear  
And the head is held high  
Where knowledge is fear  
Been broken up into fragments  
By narrow domestic walls  
Where words come out from  
The depth of truth  
Where tireless striving  
Stretches its arms joints perfection  
Where the clear stream of reason  
Has not lost its way  
Into the dreary desert land  
Of bad habit  
Where the mind is led forward  
By thee  
Into ever widening thought and action  
Into that heaven of freedom my father  
Let my country wake

Mizba Amjath

# അമ്മ

അതി മനോഹരം പുണ്യം

അമ്മയെന്നുള്ളൊരു രണ്ടക്ഷരം

എന്നെ തഴുകുന്ന കാറ്റാണ് അമ്മ

അമ്മയുടെ മാധുര്യം ഹൃദയത്തിനെ

ഞാൻ വണങ്ങിപ്പറ്റുന്നു

അമ്മയാണ് സത്യം, അമ്മ തന്നെ സ്നേഹം

അമ്മയാണ് കൺമുന്നിൽ കാണുന്ന ദൈവം

ഒരു വേള പോലും സ്വയം ശപിച്ചിടാത്ത

മഴവിൽ തീർത്ത മനസ്സിനിയാണമ്മ

നന്മതൻ പാത എനിക്കായ് ഒരുകിയതും

നേരിൻറെ വെളിച്ചം കണ്ണിൽ പകർന്നതും അമ്മ

അമ്മയാകുന്ന മരത്തിൽ നിന്ന്

വേരിട്ടു പുഷ്പമാണ് ഞാൻ

വേനലും, വർഷവും, കാറ്റേറ്റു

ചാൻചാടും ജീവിതവൃന്ദാവന നികളിൽ അമ്മ

ആശ്വാസഭാഷണ തേൻ പുരട്ടിപ്പറ്റുന്നു

ആനന്ദ സാമ്രാജ്യം അമ്മ

ആമിന തൻഹ

# അവൻ

അവൾ ഏറെ പ്രതീക്ഷയോടെയും സന്തോഷത്തോടും കൂടിയാണ് ആ ക്ലാസ് മുറിയിലേക്ക് ചെന്നത്. ക്ലാസിലെ അവളുടെ ആദ്യ ദിവസം. പഠിക്കണം എന്ന് ഏറെ ആഗ്രഹിച്ചാണ് അവൾ അവിടെ എത്തിയത്. പക്ഷെ അവിടെ അവളെ കാത്തിരുന്നത് വലിയ ഒരു കെണിയായിരുന്നു. അതായിരുന്നു അവളുടെ ജീവിതത്തെ മാറ്റി മറിച്ചത്. ഒരു മറക്കാൻ പറ്റാത്ത ബന്ധം. അതിൽ ഏറെ വിശ്വസിച്ച അവൾ സ്വന്തം കുടുംബത്തേക്കാൾ അവനെ സ്നേഹിച്ചു. അവൻ അവളുടെ എല്ലാമായി മാറി. അവരുടെ ആ സ്നേഹം അവളുടെ ജീവിതത്തെ കാർന്നു തിന്നുന്നത് അവൾ അറിഞ്ഞില്ല. നന്നായി പഠിച്ചിരുന്ന അവൾ ക്ലാസിൽ ഏറ്റവും പിന്നിലായി. ഒരിക്കൽ അവൾ അവനോട് ചോദിച്ചു "നീ എന്നെ ഉപേക്ഷിക്കുമോ" അവൻ പറഞ്ഞു "നീ ആണ് എന്റെ എല്ലാം" അവൾ ആ വാക്ക് ഒരുപാട് വിശ്വസിച്ചു.

ഒരുപാട് വർഷങ്ങൾ പിന്നിട്ടു ആ ക്ലാസ്സിൽ നിന്നും അവർ പിരിഞ്ഞു. അവൻ എന്നും വിളിക്കുമായിരുന്നു. പിന്നീട് അവൻ വിളിക്കാതായി. അത് അവൾക്ക് താങ്ങാൻ കഴിയുന്നതിലും അപ്പുറമായിരുന്നു.

ഒരിക്കൽ അവൾ പത്രം വായിക്കുകയായിരുന്നു.

അതിന്റെ ഒരു മൂലയിൽ അവൻ ചിത്രം. "മയക്കുമരുന്നിന് വിൽപ്പനക്കാരൻ" എന്ന അടിക്കുറുപ്പോടെ.

അവളുടെ കണ്ണുകൾ മെല്ലെ നിറഞ്ഞു. അവന്റെ ചിത്രം അവൾ ഉറ്റു നോക്കി. നാട്ടുകാരുടെയും കുടുംബത്തിന്റെയും കൂടപ്പിറപ്പിന്റെയും അവഗണനയും കുറ്റപ്പെടുത്തലും സഹിക്കാൻ കഴിയാതെ അവളുടെ ജീവിതം മരണത്തിന് കൈകളിലേക്ക് വീണു.

അനാമിക സി.പി
