Unlocking Myself

Oh! The great world.

I open myself into you.

Listen, listen to my inner world.

Its struggling to express, to be real.

Sometimes its green and fresh.

But often its dry and void.

Filled with matters, spirit and powers.

Power of silence, determination and hope.

London street, always busy and crowded.

But I, wrapped around with them.

Trying to make myself busy and self lovable.

But they break it, ruling over me.

Ruling over my emotions, my voice -

my insecurities and mostly on my dreams.

Restricting me to ride in my world.

To out show my feminine world.

Uh! I fed up, totally fed up.

Twice or more, I was about to express.

But then, my lips trembled, throat -

dried, head ached and I sweat.

As a women, people wishes;
my world to be small and colourless.
with him and his little ones.
Moreover under his control and spit and spat:
. Nobody tries to explore my world;
. They think it's bare and empty.
. like a dark sky seen out of a pale window.
. But they missed the moon and stars.
Day by day, Little by little -
I am dragged out of my world.
I became emotionless, The flame -
Inside of me was blowed out:
. It downpoured, I opened to you -
. Lost in the wind and aroma of soil.
. I decided to unlock my world,
. To listen to my inner world:
It said to me,
Fly high, go far and to explore:
And that was the best,
Best thought I ever had:

I stretched my world in front -
Many where there to whisper and criticize
But I loved myself more and more
Liked me the way I was
..... I laughed when I felt humor
..... I cried when I felt pain
..... And all this made a better version -
..... of myself. A better me!
Touching the huge heaps of risks
Awakening my inner talents
Getting myself into challenges
And unfolding new stories and paths:
..... I wondered, How strong I am?
..... How different I am?
..... How unique I am?
..... Realising my inner beauty:
Unlock it, explore the new chapters
Fly High, Rise strongly and Be yourself
Destroy the chains, lit the lamp again
And 'unlock the worlds within us!'
