My Dream

**Slightly I went to sleep
Slowly the mist of dream came
The trees were covered with snow
Just like my thoughts**

**To become a doctor I born
According to my dad
To become the collector
According to my mom**

**Hope I can earn my bread
The dream was about food
The hunger made my dream shape
Nothing else can shape my dreams**

Muhammed Uvaisul Karni

5 AM

Early morning he knocked the door of councillor Zeenath. Good morning Madam.... Will you permit me to your home to prepare for SSLC exams with your son?

She was thrilled to hear it. She welcomed with a smile. She made a coffee in a hurry for both. Both studied well for exams. Rajus father not allowed him to switch on light for studies. That made him reach Zeenath. She studied well about him.

The studies continued for days and days... Lets hope for the best... Hope he can light a candle at home....
