The Science Club of Presentation Higher Secondary School had a highly productive year filled with activities that nurtured scientific curiosity and innovation among students.

Major events included the Science Quiz Competition, Moon Day Celebrations, and the School-level Science Fair, which gave students valuable opportunities to explore and present creative ideas. The club also organized seminars, research-based projects, model-making activities, and introduced Robotics Classes, which provided hands-on experience in automation and technology.

A highlight of the year was the educational trip to CUSAT, where students visited research laboratories and interacted with scientists. Many students qualified for the Sub-District Science Fair, and Fizan and Muhammed Anwar proudly represented our school at the District Science Fair, winning the Third Prize in the Working Model category.

Through these activities, the Science Club continues to inspire students to think critically, innovate boldly, and uphold the true spirit of science — a fitting tribute to our school's Golden Jubilee Year

Report: Personal Hygiene, Environmental Cleanliness, Green Campus & School Beautification

Date: June 5, 2025

Venue: High School Section,(Presentation higher Secondary School

Objective: To instill awareness on hygiene, cleanliness, and environmental conservation among students

As part of the Kerala Government's initiative aligned with World Environment Day, the High School section of our school conducted various activities under the theme "Personal Hygiene, Environmental Cleanliness, Green Campus, and School Beautification" on June 5, 2025.

The program commenced with a morning awareness rally, followed by a campus-wide cleaning drive involving both students and teachers.

Key Activities:

Awareness sessions on the importance of personal hygiene

24th October : UN Day
Speech - CP
Quiz - HS.

11th November : National Education Day
Speech.

26th November : Constitution Day
Speech.

10th December : Human Rights Day
Speech.

January 30 : Martyr's Day
Speech

The school reopening day for academic year 2025-26 was celebrated with great enthusiasm and warmth on June 9 2025 at Presentation Higher Secondary School. The event marked a fresh beginning filled with hope, joy and renewed energy, bringing together students, parents, staff and dignitaries.

The programme commenced with a soulful prayer done, invoking divine blessings for a fruitful academic year. Following this, Sr. Princy Jose our Respected Headmistress delivered the welcome address, extending warm greetings to all present.

The ceremonial lighting of the lamp was performed by esteemed dignitaries, symbolizing the light of knowledge and wisdom. The stage then came alive with a charming dance performance by kindergarten students which was met with thunderous applause.

In her Presidential address, Sr. Jesmi Thomas, the ~~pro~~ Principal, inspired the gathering with her thoughtful words on the importance of holistic education and character development.

REPORT ON SCHOOL SHASTROLSAVAM

15th September 2025.

The school Shastrolsavam - 2025 was held on 15th September in our school. The programme was organised by the Science, Social, Maths and IT clubs under the guidance of our Headmistress Sr. Prermy Jose. On the same day, a special assembly was conducted for the inaugural ceremony. The Headmistress Sr. Prermy Jose wished all the success for the participants and officially inaugurated the school Shastrolsavam. To make this day more Seera E, the Science teacher conducted an amazing experiment for the students. The assembly ended with the School Anthem.

Various stalls were arranged for Science, Social, Maths and IT fairs. The participants were directed to move to the stalls arranged for them. The Social Science stalls were arranged in the LP block. There were separate stalls for LP, UP and HS Section. The students presented a variety of exhibits, including still models, working models, local history making collections, charts and album making. All these were based on topics

WORLD ENVIRONMENT DAY - 2025-26

5th June 2025

World Environment Day was celebrated with great enthusiasm and active participation on 5th June 2025 at our school, Presentation HSS.

A common assembly was organized to mark the occasion with a series of meaningful and environment focused activities.

The programme began with a message by the Headmistress, Sr. Princy Jose followed by the Environment Day pledge led by mini miss. Students presented a song dedicated to the environment, creating a thoughtful and reflective atmosphere.

High school students prepared placards highlighting environmental messages, which they shared with students to spread awareness.

As part of the theme on Environment Day, The Science Club and Social Science Club, each gifted a plant to the school.

Students from classes 5, 6 and 7 brought plants or saplings which they gifted to the newcomers in the UP and HS Sections, symbolizing a green welcome.

A rally was conducted by the Scouts, Guides and JRC
