MESSAGE

By overcoming the limitations of writing, the digital world has opened the new horizons of knowledge before us. It opens up anytime anywhere possibilities in education as well. The digital world has broken the monopoly of knowledge. Digital magazines have replaced printed reading material and are defining the new age of reading. In the world of digital magazines readers became writers and thinkers to extend the content into a different dimension and direction. Accessibility, adaptability, sustainability are the major hallmark of digital magazines and digital world.

This is my pleasure to introduce a digital magazine prepared by the little kites unit of GHSS Vaduvanchal which will give you the joy of reading, engaging, visualising, interacting and fantasizing.

Thank you all..

മനുഷ്യ ജീവൻ

ഏദയത്തിൽ അലയടിക്കും -
വന്യമൃഗങ്ങളെ ആക്രമണത്തിൽ നാദം
വയനാടൻ ജനതയുടെ ദീനരോദനം,
മുഴുങ്ങുന്നോരോ പ്രാണനിലും.

മനുഷ്യജീവൻ തെല്ലും വിലയില്ലാതെ
വലയുന്നതും, വന്യമൃഗമോ
അധികാരികളോ?

ജീവിത സ്വപ്നങ്ങൾ എല്ലാം തകർത്ത്
വിളയാടും കാട്ടുമൃഗങ്ങൾ!

ഇത് കാടോ, നാടോ?

എവിടെ ജീവിക്കും ജനസമൂഹം?

കണ്ണു തുറന്നു നോക്കൂ മനുഷ്യനെ ,
ഇവർക്ക് നൽകൂ ജീവിതം .

ആരെയും തകർക്കാതെ ,
രക്ഷിക്കു വന്യമൃഗ ആക്രമണത്തിൽ
നിന്നും,
അനുവദിക്കൂ ഏദയത്തിൽ സന്തോഷം.

അമ്മ തന്നെ

സ്നേഹത്തിൽ സാഗരമാണെന്നമ്മ
അറിവിൽ നിറകൂടമാണെന്നമ്മ
കരയുന്ന വേളയിലും ചിരിക്കുന്ന
വേളയിലുംകൂടെയുണ്ടെന്ന് അമ്മ
ദുഃഖത്തിൽ വേളയിൽ അമ്മതൻ
സാന്ത്വനം സ്പർശമാണെന്നുമെനിക്ക്
നന്മതൻ പാത തെളിയ്ക്കുമെന്നമ്മ
കൂടെ കളിക്കാനും
കൂടെ പഠിക്കാനും കൂട്ടുവന്നതെന്നമ്മ
അമ്മതൻ ലാളന അമ്മതൻ ശാസന
ഒന്നും മറക്കില്ല എന്നും
എന്നെന്നും ഓർക്കുവാൻ
ഓർമ്മകൾനൽകുന്ന
അമ്മയാണെന്നിരിക്കെല്ലാം പകരം തരാൻ
എന്നിരിക്കാനുമില്ലമ്മേ

TEARS OF EMIN

Once there was a beautiful girl named Emin. She was a teen aged girl with beautiful eyes. Her eyes attracts everyones attention. She lives with her mom, sister and brothers. She sings so beautifully, it melts others heart. Her dad's abroad. She was too helpful to her mom and her mom trusted her very much.

One day when she was little a boy named Azeem confessed to her. That was her first one. She hated at the first time but later she began to fall for him.

He was bad boy, a drug addict but poor Emin she didn't realise it. They continued one and half years together. Slowly slowly Azeem began to avoid him. She find out that something happened to him. In that case her elder brother Omar caught her and expressed it to his parents. She wasn't ready to leave him but later she realised about him and she decided to get apart. So they ended up.....
She wasn't comfortable at first. After one year she recovered from that boy
Now she is happy.....

When she was at 9th standard, it began to disturb her about the studies.
She cried a lot..... She studies well but her memory is not that good. She was depressed about her dad too. At any time her dad and his friend will be kicked out from their room. Because that

isn't a room it's just a working area and they make it a kitchen and a bedroom. When the owner found about it he warned them to leave as fast.

Emin is tensioned about her dad....

Emin is a good girl. When she heard of her dad she cried a lot and he prayed Allah to protect her dad.

When it's the day of kalolsavam she had three events to attend. Mappila pattu, Arabic group song and Arabic recitation. There was many students with her and that was held at Izmir. That was too long from their home town.

They reached there and Emin and others participated.

After attending her event 'Mappila pattu' she became friend with a boy named Dhahan. He was so cute and charming. He was also there to attend an event. They became very attached as best friends. But later they began to think that ' isn't it haram to being in a friendship without expressing it to their parents and what will happen if parent find this out ' Because of that both of them decide to get apart until it gets halal. God won't be satisfied with their

friendship so they decide to get apart.

Both of them were really attached just like a sister and a brother. They weren't ready to leave each other. But for their own good and Allah's happiness they sacrificed many pains. After two days

Dhahan texted her ' I can't keep continuing without your text, I feel like my day is incomplete without texting you ' she comforted him saying ' it's okay...we're sacrificing our pain just for Allah's happiness

so he'll answer one day..be patient and wait.He will test us so badly we should win it..okay? Praying is the only way..'. Then they left saying this.Both of them is crying while their prayer for God to accept their request...Emin get so attached to Dhahan because he is the one who recovered her from her depression days and he makes Emin happy.....

In that case again a tragedy came in to her life that her most loved teacher is transferring to other school.When she heard this she burst outof tears....

She can't control her emotions and she asked God to kill her. She can't bear the both pain..Emin felt like the her most lovable people's are being apart from her life.Moreof she can't bear the pain of her bestfriend. She is still depressed about her friend Dhahan.She prays every single day for him to be safe...

Days passed....both of them recovered,but still they have the memories of them.

Unexpectedly one day they met at a wedding ceremony.The wedding was her sister's and his cousin brother's.And at last they became together.Both of their heart was jumping with jolly.They were so happy and that moment they realised ' with God everything this is possible..all we need to do is to pray and wait 'After years Emin got married to a guy named Halil Kaplan and they lived together happily.

The story tells us that " There will be a greats day behind a ugliest one...so trust in God,pray to him and wait until you get your answer.."
