

Does Diversity Unite OR Divide

Unity in diversity is one of the predominant topic that is widely discussed for ^{the} past many years and even ⁱⁿ present ~~the~~ years ~~too~~. The exponentially grown population of the world that had already crossed the eight billion mark contributes to the multifarious cultures existing in the world. India is one of the known country for its inexplicable diversities. But, in the contrary, diversities often ~~not~~ cumulates the conflicts among different sections of people. These conflicts are ubiquitous ubiquitous and unscrupulous.

Unity in diversity runs through the entire fabric of Indian society. Majority of the population in India indulge in experiencing various cults, cultures, religions, caste, creed, sects, regions etc.. It has often led them to the acceptance

of diverse cultures and traditions. India is the meeting point and melting pot of various people of traditional and modern, urban and rural. India consists of people with various dialects, dresses, festivals, languages and so on. These diversities apparently ameliorate the beauty of India. Unity in diversity is obviously the hallmark of India.

^{more} Most often, we hear news of conflicts and fights among Indians in the name of these diversities. This reality cannot be swept under the rug while saying about India. But this bitter truth have undergone a sea change in the recent years. People became more aware and acquired acceptance of manifold diversities and varieties in cultures. Educated ~~sections~~ people are seen more broad-minded towards diversities. While the illiterate part ^{people} were ~~die~~ killing ignorant.

Diversities have pros and cons. While it avails people in indulging various cultures it also exacerbate world's peace. It ~~ann~~ annihilates world's peace and calmness.

There is a notable saying that underlines this fact. "Whether man uses the fork to eat or hurt his tongue with it, its surely his choice". Likewise, man can use diversities to disseminate or pervade brotherhood and unity or become ruthless and create conflicts and divisions. It is entirely his choice.

When examining the present day situations, ~~to~~ compared to the past, people are seen more united rather than the vile past.

People now are more likely to visit various places, absorbing different cultures and traditions, emulating the virtues in many religions and castes and knowing each other only too well. They experience several

varieties in dresses, climate, language etc...

The present world has altered a lot into a united, vibrant, rich and peaceful one.

The current population have amended their way of thinking and ~~be~~ became more acceptable to various cults and beliefs!

When coming to the ill-effects of diversities, it contributes to the major havoc caused.

in the world. In India, the states are organized on the linguistic basis. So, diversities surely causes divisions. Yet, people in India visit and inculcate various languages in different states. Majority of the conflicts faced by India is on the basis of religion.

It is the immoral and ill-minded people who creates these conflicts. Stringent actions should be taken to ostracise such people who conduct various crimes on the basis of diversities especially based on religion.

Our world is a mixed bag of stupendous paradoxes and extremes. Hence, ~~we~~ Extremism and terrorism exists in this world. It is one of the grave ~~concern~~ ^{concern} of the society. That these types of crimes arise from diversities. Which considering the present era, these immoral and vile activities are slowly wiped out of the world. We cannot say it is entirely alleviated or eradicated but it has mitigated compared to its tremendous and drastic effects.

Recently, people are seen more united due to its diversities. We find ourselves getting attracted towards various languages, dresses cultures, regions etc... Like, majority of Indians are following the foreign cultures, most of us learning foreign languages such as English, Spanish, French etc... and also vice versa. Foreigners are often trying to enjoy the

climate, dresses, different dance forms of India. These are the evidences that universal brotherhood or unity is formulated. Apart from some infinitesimal conflicts among people, our world has become become a global village, where the distances between places have shrunk and unity tightened. Diversities have forged a strong relations between different sections of people. They seems to be enjoying in experiencing and getting influenced by diversities. There is a large number of exodus of people from one country to another in search of green pastures and oceans of cultures. These adds to the fact that diversities brings out harmony, and unity among people more than divisions. Thus, Only because of that India is eminent for unity in diversity. It is applicable for the whole world also. So, Diversity unites people irrespective of self and power. It unites people.
