

ACADEMIC MASTER PLAN 2025-2026
INFANT JESUS ENGLISH MEDIUM SCHOOL, MANJESHWAR
TYPE OF SCHOOL: UNAIDED RECOGNISED
SCHOOL CODE:11080

I STANDARD	
OBJECTIVES	ACTIVITIES
<ul style="list-style-type: none"> * To strengthen understanding of numbers, shapes and problem solving. * To learn basic computer skills. * To increase confidence in reading and writing. 	<ul style="list-style-type: none"> * Story writing competition, story telling, reading story books * Making shapes objects, charts * Simple experiment. * Telling rhymes, Colouring
II STANDARD	
OBJECTIVES	ACTIVITIES
<ul style="list-style-type: none"> * To communicate in English Language * To learn basic computer skills. * To understand the mathematics shape * To understand mathematical shapes 	<ul style="list-style-type: none"> * Speak about self, family, friend and the surroundings * Practice in the class room and campus * Telling rhymes, Colouring * Typing practice
III STANDARD	
OBJECTIVES	ACTIVITIES
<ul style="list-style-type: none"> * To listen and comprehension * To Develop General Knowledge * To understand the mathematics shape * To teach Addition and Subtraction * To make environment studies interesting * Skill Development 	<ul style="list-style-type: none"> * Simple speech, story telling * Using vegetables and fruits or other objects * Conducting Quiz on General Knowledge * Telling rhymes, Colouring * Preparing creative works like charts, drawing, posters, slogans, models.
IV STANDARD	
OBJECTIVES	ACTIVITIES
<ul style="list-style-type: none"> * To improve reading writing, speaking and comprehension skills. * To understand the environment through observation and experiments understand concepts. * To strengthen understanding of numbers, shapes and problem solving 	<ul style="list-style-type: none"> * Story writing, story telling etc., * Field Trips to watch animals, agricultural activities * Make available various shapes
V STANDARD	
OBJECTIVES	ACTIVITIES
<ul style="list-style-type: none"> * To read and write without mistakes * To present Children's own ideas * Skill Development 	<ul style="list-style-type: none"> * Read newspaper, presentation or participating in news reading * Formation of clubs and activities * Drawing, posters, slogans, models

<p>observation and experiments understand concepts.</p> <p>*To understand different shapes.</p>	<p>Doing creative works like puzzles, riddles Etc...,</p> <ul style="list-style-type: none"> * Telling rhymes, Colouring * Preparing creative works like charts,
VI STANDARD	
<p>OBJECTIVES</p> <ul style="list-style-type: none"> * To enable them to communicate confidently in English, Kannada and Malayalam, Hindi * Skill Development * To Write and read languages without mistakes * To improve skills in Mathematics. 	<p>ACTIVITIES</p> <ul style="list-style-type: none"> * Providing situation to converse in English, Kannada and Malayalam * Motivating by giving positive reinforcement * Preparing Mathematics magazine, Quiz .
VII STANDARD	
<p>OBJECTIVES</p> <ul style="list-style-type: none"> * To prepare for independent reading and writing * To increase confidence in Mathematics * To enhance performance in science * To learn Basic computer skill and internet * To develop map reading skill, remember facts 	<p>ACTIVITIES</p> <ul style="list-style-type: none"> * Promote group discussion, conversation writing * Preparing creative activities like geometrical chart. * Introduction of map study, Time line etc.,
VIII STANDARD	
<p>OBJECTIVES</p> <ul style="list-style-type: none"> * To improve reading, writing, speaking, listening skills * To strengthen and understand numbers, shapes and problem solving. * To understand the world through experiments and observations. * To understand rights, duties, human values, social values. * To learn Basic computer skill and internet 	<p>ACTIVITIES</p> <ul style="list-style-type: none"> * Simple Experiment, Quiz * Visit industry, Agricultural fields, business firms. * Poster making, Typing, Paint, Do sums. Promote group discussion, conversation writing Preparing creative activities like geometrical chart * Introduction of map study, Time line etc.,
IX STANDARD	
<p>OBJECTIVES</p> <ul style="list-style-type: none"> * To prepare dialogue writing, poem writing, singing, Speech and other forms of literature. * To use of various applications in information and communication Technology. * To improve general knowledge, practice democracy. * To cultivate critical thinking, understand natural phenomena, develop scientific temperament, promoting creativity and innovation * To apply Mathematical concept in daily life. Applying modern technology in mathematics. 	<p>ACTIVITIES</p> <ul style="list-style-type: none"> * Participating in club activities various competitions. * Competitions related to typing, drawing web designing, poster making, programming. * General knowledge, quiz with regular interval special study, trip, group discussion. * Analysing arguments, solving logic puzzles, making observation. * Seminar to create an awareness about the application of mathematical concepts in daily life.

X STANDARD	
OBJECTIVES	ACTIVITIES
<ul style="list-style-type: none"> * To enable students to communicate confidently in English. * To present own ideas in real life situations. * Training to prepare local history. *To promote creativity and innovation. *Familiarize with mathematic shapes and quantities that arise from mathematics concepts. 	<ul style="list-style-type: none"> *Elocution, conversation, singing, role play, project work, storytelling and writing. * Group discussion. Problem solving tasks. * Locating the area with the help of field trip. * Club activities.
<p>General Activities:</p> <ol style="list-style-type: none"> 1. Celebration all important days. 2. Remedial classes for slow learners (LP UP HS) 3 Special classes for 8th ,9th,10th students. 4. Conducting various competitions and giving certificates. 5. Students Counselling. 6. Co-curricular activities (Karate and Dance) 7. Difference activities to improve languages.
