

There was a world where everything was straight opposite of this world. IT'S A DIFFRENT STORY .every people were too good on there. But the people who were good on this world they've just became bad. They named themselves "**SUCKERS**" they were too bad. They became jungle just like tribes. They hurted people.

But, we say nah there will always be a hero to defeat the villains in here **suckers**. The hero of this story is a good person. He is a tough, dark, tall person .he loves nature .If there is a hero there must have to be a heroine also. We also have a heroine. Her name is "JIYA"

.I am sorry I didn't say the hero's name nah. His name is SACHIN. He is an eleventh grade student. He loves JIYA. She also loves nature, that's why. They are best friends. LOVE is FRIEND SHIP. But Sachin really loved her .He was afraid that if he tell Jiya what is in his heart she will broke the friend ship between them.

One day when Jiya was walking on the road, the suckers leader ROHIT came to trouble jiya. But, our

hero entered like superman .Jiya was screaming .after that Sachin really become a hero for Jiya. Jiya started liking sachin.

One eve when Jiya & Sachin were walking Jiya said him the story how the suckers become the bad among all. they just

go to flash back. once upon a time there was a boy named Sahil. He was the best in class and school. Everyone liked him

especially Priya .Priya really loved Sahil. As I love you."WHAAATTTTT?????????????" Sachin shouted with anxiety .Jiya smiled and said "what? I was just joking". Sachin got upset"Ooo. I just thought" Sachin stoped. "never mind you continue". Jiya continued telling story. One day Sahil failed in one exam. Everyone scolded him so badly. His friends made fun of him. He was so depressed. He sat in the auditorium, And he was alone. He thought "why are they scolding me? just for my marks?"He was very angry and sad. He started crying with depression. "don't worry. It's alright. Iam glad that you are not doing anything bad against teacher. I know that what teacher said was too bad. But don't underestimate them. They does all these things for our better future. "Sahil turned back. It was priya. Sahil said "so ,it was you? "THE PHILOSAPHER"

Priya. I was just thinking who was saying such inspirational words . so, It's you?". "hey, don't call me that! I was just saying something good for you. it's ok if you doesn't like it." Priya just get up. suddenly she felt like water drops on her hand. she just turned. she saw sahil holding her hand weeping. Priya just sat near sahil. She was also weeping. Sahil asked "why are you crying?"Priya replied with a little smile "Just because I LOVE YOU....." Sahil was stunned "whattttttt???"

Priya said"if you don't love me you can say it. I won't force you" she turned back.

Next day Sahil started searching Priya. He wanted to say her something.His heart's words. He found Priya. She was sitting under a tree on the hilltop. Sahil screamed like a mad "PRIYA.....I LOVE YOU T000000000000.....WOULD YOU MARRY ME?????"Priya ran to Sahil .she hugged him and said..Sachin asked "whaat?"she said "yeeeeesssssssss". They loved each other too madly. They wrote their name on Every where like this .Jiya write that on board .

full story tomorrow. when Jiya left Sachin wrote two names

Next day Jiya continued story .one day Priya and Sahil were sitting on the lawn. Suddenly Priya feel a little pain on her chest. She fell down. Sahil called ambulance. The ambulance was late. When they reached hospital the doctor was not there. He was late for some valid reason. But Sahil was too caring for priya.he screamed for help. Suddenly Priya vomit blood. She said something in Sahil's ear. "what was it?"Sachin asked .Jiya said in sachin's ear "I'll love you till I die .As I said my love time is going to over .bye" .Then Priya died in hands of Sahil.

Jiya just turned back and started walking. "what about next. jiya complete the story. please don't go like this" sachin said. Jiya turned back and said "who know 's what happened next? but, I know something.""whattt?"Sachin asked .Jiya said "I LOVE YOU DUMBO. you doesn't understand. It Is a story of love .I just want to ask something. do you love me? if you don't it doesn't matter" Sachin replied suddenly "I LOVE YOU A LOT MORE THAN YOU LOVE ME. I was just afraid that if I tell you what's in my mind you would've broken the friendship with me. But, what about the story? how did the suckers become this much bad?"Jiya replied "God knows. Its only the story of my sister. I just want to hear those three words from you". Sachin screamed "JIYAAAAA.IIII LOVEEEEE YOUUUUU....."They hugged each other. Story end.

As you all thought that it's not a super hero story and it doesn't contain any fight .At first I said you all that it's a different story .it's unique. It's not the story of suckers, it's the story of JIYA&SACHIN .It's not about war, It Is about love. because very thing is fair in love and war nahh ?
