

UNBLEMISHED HEART

Every family have a superhero in them. The person who struggles for his world, not everyone can do it. Yes, I'm talking about the superhero in our life. Father, the person who have an unblemished heart the person who is altruistic and the person who surrender^{our} his life in front of his family. Sometimes he is amiable his belief might be wrong but almost his intuitions are perfectly right. The greatest superstition in the world is 'love is reciprocated always' he is a perfect example for this statement.

As usual Devan was going to his office which is far away from his home. Normally he go by bus. But that day unfortunately or fortunately he couldn't catch the bus. He went back to home because he couldn't even get an auto. A lady with spectacles opened the door when the bell rang. She was

surprised to see Devan, before she could ask anything Devan interrupted and said

"Nothing much subhadra, the bus missed for the first time"

"Oh Lord. so you can't go to office today"

"No. Where is kallu?"

"She is there inside"

Devan had a sweet family. Subhadra, his wife who is ^{an} employee in home and kallu the kalyani, his daughter who work as the home administrator. Devan forgets himself when he is at home ^{even} or, at somewhere else because he is an ordinary man just living for his family. His only thought is his family.

I wonder how a living being can be so careless about themselves? giving more importance to someone better than ourselves is impossible for anybody else but father does.

Home administrator kalyani was glorifying her own drawings in the balcony

Devan was going near her. Suddenly she ran to him and said

"Papa you didn't ^{go} went to office?"

"No"

"Okay then you could even buy the thing that I told you yesterday"

"Oh! sorry kallu I just forgot about it"

"No... No.... No..." she started screaming.

The moment she started barking like a dog Devan ran immediately to the supermarket nearby and bought a set of oil pastels for her. When he came back Subhadra told about the wedding of her sister.

"So you are talking about shaxada's gift I'm I right?" Deva asked Subhadra

"Yes"

"Okay wait I will set that"

"Okay"

Kalyani was eagerly waiting for her aunty's wedding, also Subhadra. Menth was going

to end obviously Devans head might be going to blast. vegetables, groceries, milk, loan, newspaper, rent all these obstacles was close to him. And the wedding is on first day first week of the next month. He was striving for all these. Day in his life is terrifying, going to office in the morning itself hearing the sharp and hard words from the boss, frustration from everyone financial problems everything. His life was small ~~was~~ like ~~a~~ a pond and his obstacles ^{was} vast like an ocean. Everyone praise the sacrifice of mothers but did anyone just searched the path of a father? I think like the ~~hell~~ heel of a bread they are abandoned. But in every hard situations they just smile and keep going and even that smile is also for his family. Here kalyani was unknown about her father's obstacles.

Similarly there is another version of

a superhero. But this superhero is not just an ordinary man. As I said ^{this is} the person who ~~is~~ ^{doesn't} have a dream and living for his daughters dream. Joseph was a farmer his wife passed away years back he has a daughter who is preparing for her NEET exam it was her biggest dream. She was trying for it past 4 years. But she couldn't achieve it. Now her father decides to buy her a seat by payment. He took a loan from the nearest bank but due to some issues he couldn't get the loan. As usual he was coming back to home after crawling at the bank. Anna, his daughter took a cup of water from the earthen pot and gave to Joseph.

"Is it all okay Appa?"

"No"

"Its really okay my pappu"

"No"

"I can study myself. I will try"

"You can try ~~it~~ till the loan will be okay"

"There is a near chance appa, next week exam will be there"

"Okay study well"

Joseph is not saying a single word that hurt Anna's feelings. He have a lot of problems besides this still he is smiling for his daughter. Don't you think each fathers in this world are superheroes. For every child their fathers means a lot to them. The only human who forgets about themselves for his family. His drops of sweat is a protection for his family. He made his disabilities into abilities, he made his bleeding heart into a blossom he made his sad face into smiling flowers his paramount was always his family and he changed himself for his family. Fathers are the ^{real} warriors of ~~our~~ in the world.
