# SMILE SMILE

Smile is an excellent quality wear  
and the best love of spirit  
smile covers the sorrow in all heart  
smile is a very good partner

Don't put fake smile on your face  
your smile must be a sympathy smile  
smile is sure certificate for  
success in life

All our smiles will come back to us  
to smile is to give  
Every smile you pass is like a gold  
start our day with a smile  
and see the million magic of smile----

# REVENGE OF MOTHER NATURE

"SOMETIMES IT TAKES A NATURAL DISASTER  
TO REVEAL A SOCIAL DISASTER."

JIM WALLIS

 Lifetick Quotes

Oh mother nature  
you takes me to nature  
revenge shows the values of nature  
forest being destroyed  
which gives us life  
we are destroying nature  
for money and power

Our responsibility is to care our mother nature  
but now you take revenge to us  
mother nature It makes us sigh  
all the beauty had lost but one is  
remaining, we the men  
now it moves the dark

Don't know what happens don't  
take revenge on my mother nature  
now it is a challenge to the end of life  
I will take care of you---

# FRIENDSHIP

True friendship is the precious gift of in the life of the people involved it. A person is called very lucky having true friendship in his life. it gives sweet memorable and pleasant moment in our life. Searching the best friendship leads to two or more persons involved in it towards success without any demotion in life. Searching the best friend is not an easy process sometimes we get success and some times we lose because of misunderstanding to each other.

Friendship is a deviated feeling of love to which we can share any thing about our life and care for each other .friends always understands and appreciates other's without any suggestions.

“One best book is equal to hundred good friends but good friend is equal to a library” says Dr.APJ Abdul Kalam

# CAREER GUIDANCE

Nowadays the students are very much struggling to attain their goals .In present days the exams and other activities are becoming very hard so that the children should be prepared from their childhood itself. Career mainly depends on our studies character and activities .A well studying student may not have a good career. If his character is worse .Without a good or proper career we will not able to live in the present society. Some of the important tips to make our career success are -be an example of happiness and contentment, encourage self reflection and self recovery, comment a students strength to him and his peers organise a simple education and career directory, introduce them to a variety of success people .No matter where your stress is coming from it is not doing you any good until you learn how to address it.

# കൈത്താങ്ങു്

എന്റെ സുഹൃത്ത് ഭൂമിയെ ഉണർത്തും മഴതുള്ളി പോൽ  
സൗഹൃദമെന്നെന്നു അവൾക്കറിയാം  
കണ്ണും കയ്യും പോലെ  
കണ്ണീർ വന്നാൽ കൈകൊണ്ടു തുടച്ചു  
കൈകൾ നൊന്തത് കണ്ണീരൊലിപ്പിച്ചു  
തെന്നിവിണാൽ പിടിച്ചെടുന്നേല്പിക്കും  
നോവിന് മരുന്ന് മാന്ത്രികച്ചിരി  
ഒരു കാന്തം പോലെ  
അവൾ എന്റെ എല്ലാം- എന്റെ സുഹൃത്ത്

# THE VALUE OF HUMANITY

**Humanity is an important quality that humans must have it. It removes the darkness and gives birth honesty ,generosity ,loyalty sympathy and all other qualities. Today people have lost humanity . Even a dead creature on road a matter for whatsapp ,facebook etc. From childhood onwards learn humanity .We must improve our character and conduct. We must be in good terms with friends and teachers and also to our elders. Coming generations may sustain the values of humanity.**

# INTERNET:

## *A NECESSARY EVIL*

Internet is a network of networks that link various devices world wide. It has brought the whole world in a single room. It has opened a world of knowledge and lots of opportunities to people. You can share data and information and always you can be up to date with the news. People even make business deals thorough these social networking sites. It is also useful in banking transactions.

Besides all these advantages,internet has its own disadvantages. First and worst abuse of internet is the wastage of time for students, who sit for hours in front of social networking sites.

It is a very big trap for those who seek friendship from the unknown faces behind the glamorous photos. Once you get addicted,you wouldn't be able to come out from this trap. Many innocent girls lose their image and they even commit suicide.

Internet is a treasure for one who uses it correctly with the introduction of computers and smart phones , one can achieve any information within seconds. People must learn to operate them properly & get good things from it.

# Uses And Abuse Of Mobile Phones

The mobile phones, as the name indicates, it is a phone device which can be used when you are mobile. It has revolutionised and changed our life style completely. As every other invention it has its merits and demerits. I will talk about the positive aspects first.

You can contact any person regardless, whether he/she is at home, travelling or at home at some other places. Important professionals, emergency workers, doctors etc... can be called by simply touching a button. It also helps in passing information. Astronauts in space can be contacted. Cyber cells can trace criminals by call details.

A group of people in different corners of the world can chat like and as effective as they are sitting in the same room. On the other side, as all the coin has two faces it also has very serious to drawbacks. It causes disturbance to others in public places and meetings. It can spread wrong messages which lead to serous things. Use of mobile phone while travelling especially when one is driving causes serious accidents. Children also may misuse it. It is also known to cause serious health hazards like brain tumour, cancer etc. The ionised waves coming from the phone is very harmful. Prolonged usage can affect eyesight and hearing badly Like responsible law abiding citizen we should utilise this wonder gadgets in a positive manner and not in negative ways
