**It's time to bid adieu. We present to you an amateur mixture; of memories treasured and cherished, thoughts nurtured in the mind...You will find the vibrations of the students manifested in each page in a good spirit. Even though there are shortcomings, we hope that they will be accepted wholeheartedly.**

**A Christian institution, laying stress on the education of girls has travelled along path of struggle and finally reached the pinnacle of glory when our principal went to Delhi to accept the National Award from the President of India. On this occasion our congratulations to Sister and may God help you to render much more to this society.**

**This is not the end... only a beginning. It is most apt to express our gratitude to our sponsors and well-wishers for their generous help. Without their help this will not have been possible. We sincerely hope that we receive the same in the years to come.**

# A Beautiful gift

Life is a gift of God  
Which we must keep as gold  
    Even if it has lot of blows  
    It is some thing which glows  
If you feel it is a burden  
You just thing about the garden  
    In which there were lots of flowers  
    Which are natures splash of colours  
You may find it furious  
But later find it glorious  
    That's the secret of life  
    Like a lemon under the knife  
Add water and sugar so it  
You will find it relishing and sweet  
    Life is beautiful  
    Just like that

# *Alone as the Moon*

*Am I like the moon?  
Alone in the starry sky  
With millions of stars around  
Still solitary, hiding behind the clouds*

*I want to be like the raindrop  
Who falls alone from inside the heart of the cloud  
Who kisses the ground,  
Unit with the river and combines*

*In unique, I am the only one  
the moon, the only moon for the earth  
I break inside, yet comfort myself  
Seeing the solitary loom swims a wet side*

*I come and go,  
Every dusk to dawn  
But no one knows  
What goes inside*

*I shine in the garden of loneliness  
Hundreds blooms around with happy though  
still to spread the curve in faces with me in heart  
I stand still with my smile*

What is that hope?  
I can't answer it.  
It's a hope, that ever last  
It's an enduring hope

Hopes go till they reach a point

# ഇരുട്ടിന്റെ ആത്മാവ്

ഇരുട്ടിൻ മറയിൽ ഒളിച്ചിരുന്ന ഞാനാ  
വെളിച്ചത്തിൻ ചുവരിൽ നോക്കിയിരുന്ന  
ഒരു നൊമ്പരം എൻ മനസ്സിലെങ്ങോ  
അലയടിക്കുന്നു...

പുറകോട്ടെന്നില്ലാത്ത പുഴയുടെ ഒഴുക്കിൽ  
ഞാനും ഒഴുകി...  
മുന്നോട്ടേക്കുള്ള വഴിയിൽ വെളിച്ചം  
പകരുവാൻ നീയും...

വെളിച്ചം കാണാൻ കഴിയാതെ ഓരോ  
മനസ്സുകളും ഈ ലോകത്തിന്റെ ചുവരുകളിലുണ്ട്...  
ദുഃഖങ്ങൾ മാത്രമുള്ള ഇരുട്ടിന്റെ ഈ ലോകത്ത്  
ഒരു അന്ധനെന്തിനു കണ്ണ്...

മറഞ്ഞുപോകുന്ന കാഴ്ചകളെ കാണിക്കുന്നത്  
കണ്ണല്ല മനസ്സാണ്..  
പുഞ്ചിരി പകരുന്ന നക്ഷത്രങ്ങളെപ്പോലുള്ള  
കാഴ്ചകളെ കാണാൻ സാധിക്കണം എനിക്ക്...

# പ്രളയ വഴിയിലെ മാറ്റം

കേരളം കണ്ട ഏറ്റവും വലിയ പ്രളയദുരിതം നാം കണ്ടുകഴിഞ്ഞു. സംഘടിതമായി നിന്ന് ദുരന്തത്തെ നേരിടാൻ നമ്മൾ പഠിച്ച സഹായത്തിനായ് നിലവിളിച്ചില്ല. എന്താത്ത സഹായത്തെ ഓർത്ത് പരസ്പരം പഴിച്ചാരിയില്ല. നാട്യങ്ങളോ നാടകമോ ഇല്ല. ഒന്നായി നിന്നെന്നാണ് നേരിട്ട ദുരിതാശ്വാസ പ്രവർത്തനങ്ങളിൽ നമ്മുടെ നാടും വീടും പങ്ക് ചേർന്നു.

ഈ വർഷത്തെ ഓണവും ഒരു പ്രത്യേകതയായി. സ്വന്തം കുടുംബംഗങ്ങൾക്ക് വേണ്ടിയല്ലാതെ വസ്തുക്കൾ വാങ്ങിയിട്ടില്ലാത്ത മലയാളി അത് വാങ്ങി എല്ലാവരും സമന്വരായി. അവിടെ ജാതിയില്ല, മതമില്ല, രാഷ്ട്രീയമില്ല. എവിടെയും നന്മ മാത്രം ചെയ്യുവാനുള്ള ചിന്ത മാത്രം. സ്വന്തം വാഹനത്തിൽ പോകുമ്പോൾ റോഡിൽ ഒരാൾ ബസ്സ് കാത്ത് നിൽക്കുന്നത് കാണുമ്പോൾ ബ്രെക്കിൽ അറിയാതെ കാൽ അമരുന്നതും ഭക്ഷണത്തിന് മുമ്പിൽ ഇരിക്കുമ്പോൾ ക്യാമ്പുകളിലും മറ്റും ഒറ്റപ്പെട്ട് കഴിയുന്നവരുടെ മുഖം

മനസ്സിൽ തെളിയുന്നതും മലയാളിയുടെ മാറ്റത്തിന്റെ ലക്ഷണമാണ്. മാറാം നമുക്കൊരു നല്ല നാളേക്കായി നാളേക്കായി...

മാറാം നമുക്ക് ഇന്നലകളുടെ നൊമ്പരങ്ങൾ... പണിയാം നമ്മുടെ സ്വർഗ്ഗം... ഇവിടെ... ദൈവത്തിന്റെ ഈ സ്വന്തം നാട്ടിൽ!..

# *What makes a man successful*

PDF Compressor Free Version

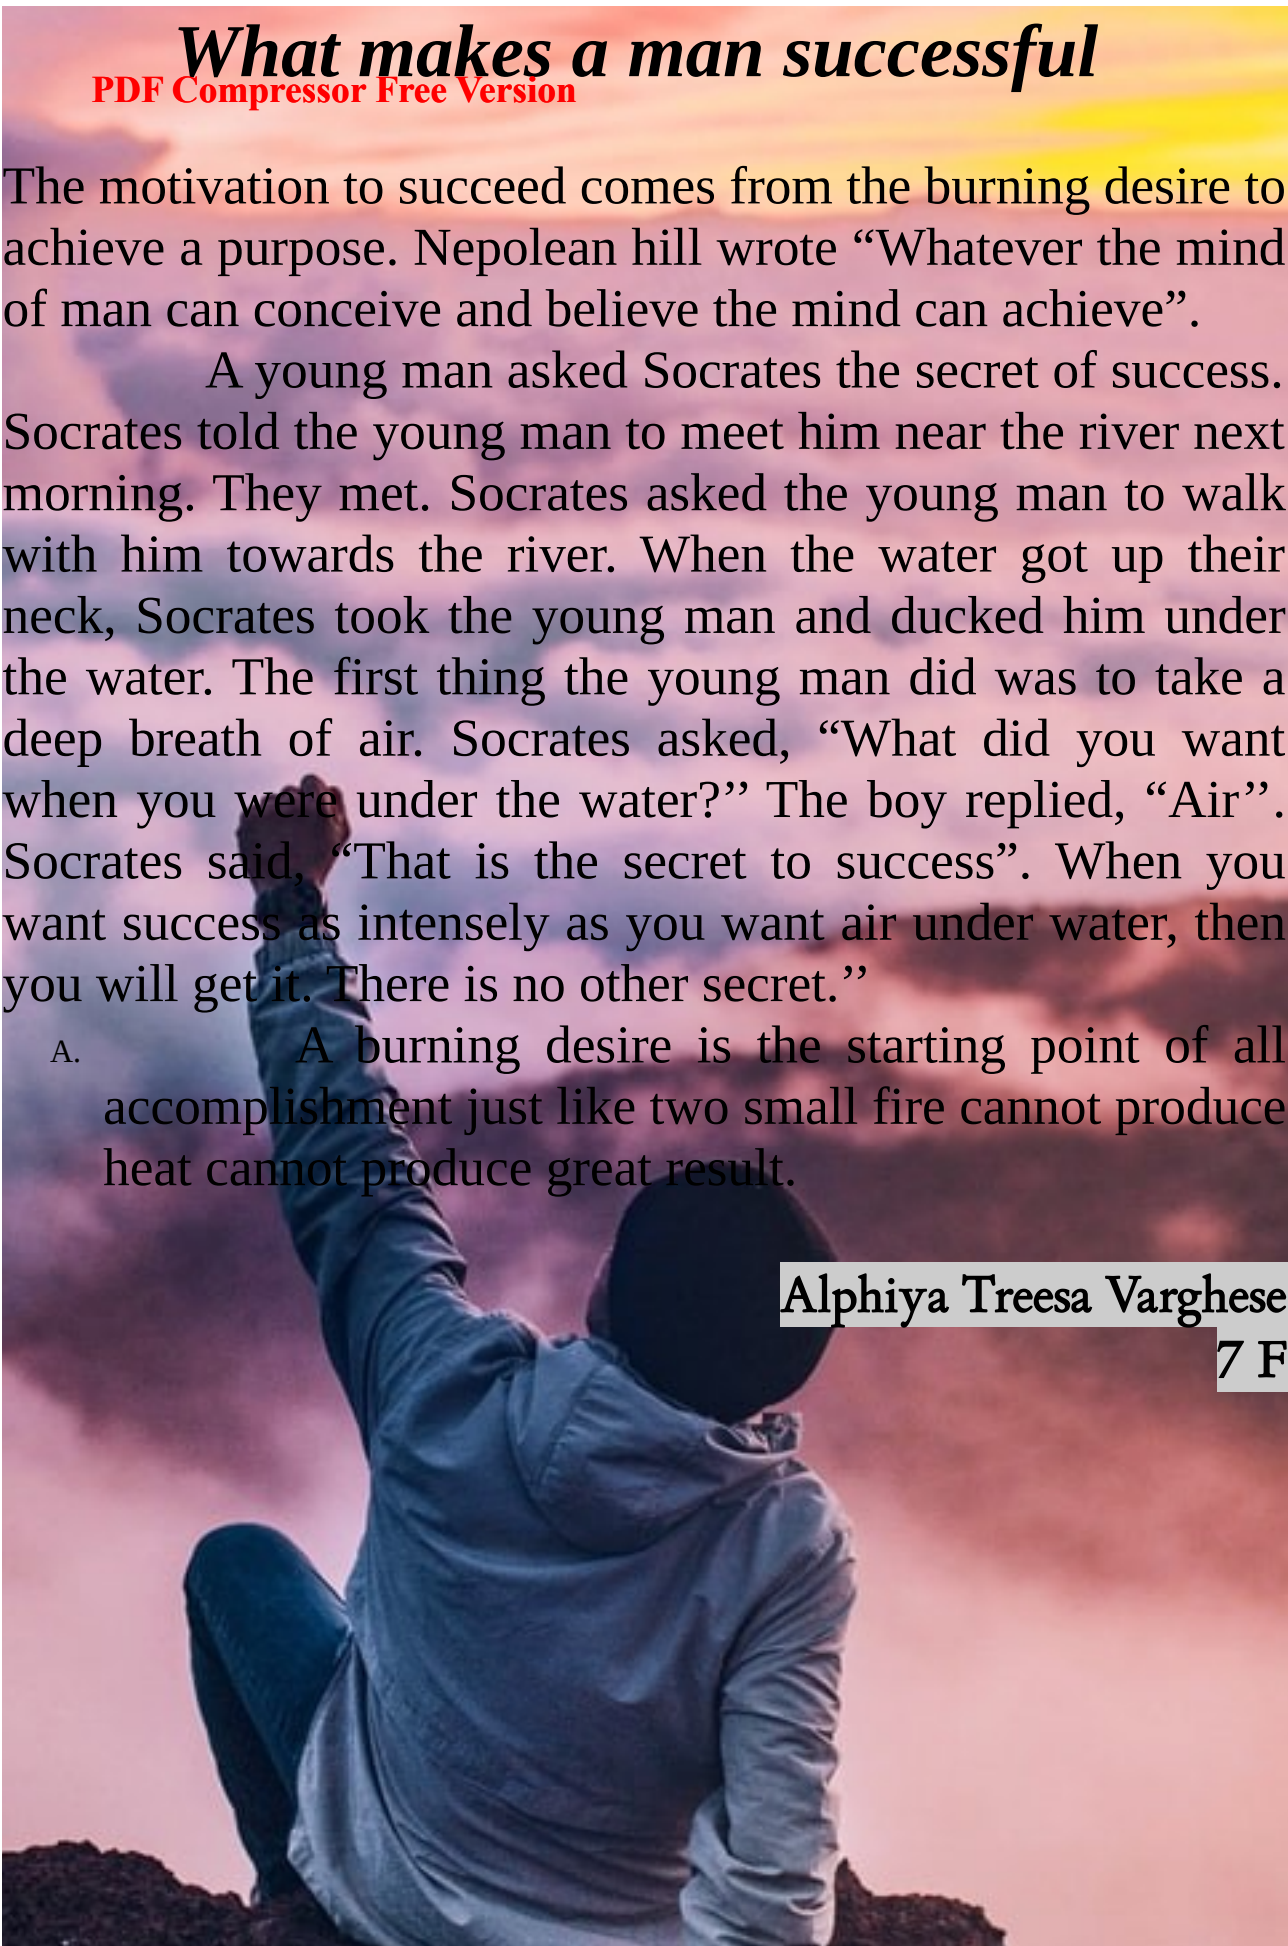

The motivation to succeed comes from the burning desire to achieve a purpose. Napoleon wrote “Whatever the mind of man can conceive and believe the mind can achieve”.

A young man asked Socrates the secret of success. Socrates told the young man to meet him near the river next morning. They met. Socrates asked the young man to walk with him towards the river. When the water got up their neck, Socrates took the young man and ducked him under the water. The first thing the young man did was to take a deep breath of air. Socrates asked, “What did you want when you were under the water?” The boy replied, “Air”. Socrates said, “That is the secret to success”. When you want success as intensely as you want air under water, then you will get it. There is no other secret.”

A. A burning desire is the starting point of all accomplishment just like two small fire cannot produce heat cannot produce great result.

VIII : F

Set your final purpose high  
You deserve the best.  
Strive for what you desire  
And never settle for less.

Have faith in yourself  
No matter what you choose  
Maintain a winning attitude  
And you can never lose.

Ponder about your destination  
But don't get tensed if you stray  
Because the most precious thing  
Is the thing you learnt along your way.

Take all that you've become,  
To be all that you can be,  
Soar above the clouds  
And your fantasies set you free.

# CHARACTER FORMATION

PDF Compressor Free Version

Hisana Fathima Shibu

## IX D

Character is the sum of all the mortal and mental qualities and traits that distinguish a person from the others. When we see a person who apparently possesses good qualities and no bad qualities, it is said that his character is good. On the other hand if a person had only bad qualities and no good ones the case in this is opposite.

However all human beings are neither totally good, not totally bad practically everybody has good qualities as well as bad qualities. So for all practical purposes we call someone a “good person” if good qualities predominate in his character and we call someone a “bad person” if bad qualities predominate in his character.

It is an undeniable fact that all human beings have some congenital bad Inclinations. Though in varying degrees everybody is Inclined to such vices as selfishness, pride, greed, laziness and sexual immorality. No religion seems to have an explanation for this distressing phenomenon.

Though we are born with these evil Inclinations, it is our duty to fight against them and to overcome them. This duty is imposed on us by God Himself who is absolutely pure and good. We are all his children and it is his will that we should also be pure and good. The sum of all these virtues is the way to term a good and noble character.

Right motivation is the key to success in our struggle against bad tendencies and the right motive is the love of God and the desire to please him. This is the basis of character formation.

# MY SCHOOL DEPARTURE

*When I first came to Mount Carmel,  
My mind was not much matured.  
The classes, teachers and the boarding,  
All were new and strange.*

*New faces, new atmosphere,  
All became soon familiar  
Sisters told me not to fear,  
And friends make me cheer.*

*Seven hours a day was precious  
Inside that lovely school campus  
chattering together with friends  
With frequent but silly quarrels*

*Time passed by  
Events that were moving,  
Thrilling, hurting and interesting  
Have all come to an end.*

*It's time to bid farewell  
The truth can never be resisted.  
But I still cannot measure  
My agony of departing Mount Carmel.*

# DREAMS.....

Beyond, beyond the mountains line,  
The greystone and the boulder,  
Beyond the growth of dark green pine,  
That crown's its western shoulder,  
There lies that fairy-land of mine,  
Unseen of beholder.

Its fruits are all like rubies rare,  
Its streams are clear like glasses,  
There golden castle hang in air,  
And purple grapes in masses,  
And noble knights and ladies fair  
Come riding down the passes.

# Enjoy the Eloquence

Scurrying through the meadows...  
Of yellowish green resemblance...  
I get plunged into world of beautiful parasol...  
Here...

I can see... can hear..., can feel...  
The purity, the warmth and the love...  
Not For a vivid time.. But  
For the days to come as a long lasting fairness..  
Not just fairness, it's the gorgeous eloquence...  
We can perceive it from bursting out of  
ourselves from the huddle...  
Yes...

Come out of the huddle and...  
Let's absorb the beauty of nature...  
Let's enjoy it....  
Not enjoy...  
Let's be in the lace of it...  
For ages and ages hence...

# HOPE

The sun which gives me light  
The star which spreads brightness  
In the scary world of darkness,  
The hope which makes me move on

The lantern which shines in my mind  
The precious diamond  
Which gives success  
The candle which glows  
For freedom

Yes, it is hope that  
Sustains life  
Hope for tomorrow  
Makes life a sweet fruit

The lantern of hope  
Which spreads like fresh air  
Gives happiness and optimism to all  
For it is the one which  
Bears wonderful berries

Life is a game in which you should  
Have an aim  
The path that you choose  
Can make you win or lose  
Try, Try and Try  
There will be a future but don't ever cry  
And dream the impossible  
And achieve the incredible  
Memory, hardwork and determination

# An unbreakable Relationship

I was born to a person  
Unknown till then  
She carried me in her womb  
For nine full months  
I opened my tiny eyes  
From the deep slumber I had  
And I saw a face  
How beautiful it was  
Her eyes twinkled  
With bead of tears  
Her lips were curved upwards  
And how amazing it was, her smile  
Although I gave her night a sleeplessness,  
She had a smile plastered on his face  
She looked after me  
For hours and months on end  
She forgets all the pain  
When she bears her eyes into mine  
To the world I maybe one  
But to her I'm the world  
It is an unbreakable relationship  
Of a mother and her child

Darkened night is gone away  
Bright light raises fall on my eyes  
Lovely morning come again.  
Birds fly and sing again  
The sun rises in the east again  
The flowers began to bloom again  
Lovely morning comes again  
All get up from their bed  
All start to work and work  
The blue sky set their clouds for sail  
A lovely morning comes again

The celestial bodies circling the Sunday  
Not in ideal circles round

Spinning slanted  
Never, quiver as it spins  
Giving night and light  
Rivers flow down to the sea,  
Not in straight lines but  
Smash into their on way  
Along the mountain slopes

Thank god for the whole thing

# SCIENCE IN EVERYDAY LIFE

Science is a great blessing to mankind. Science has come to relieve us of sufferings, to remove our ignorance and to lighten our toil. Science is a faithful servant to man. It serves us at every steps in life. Science has transformed our daily life. It shows every care for health. Before us now lies a new era in which the power of atomic energy has been released. That age will either be of complete devastation or one in which new sources of houses will lighten the labour of mankind and increase the standard of living all over the world. It is for us to decide whether to destroy the world with atomic bomb or re-build it with atomic energy.

# FRIEND SHIP

PDF Compressor Free Version

Friend ship is the life's most precious treasure and it is mentioned as the cornerstone of life. Friend ship, such an insignificant and mild word yet it yield such an extraordinary bond, holy connection and unconditional love between two human souls. Many people accept the dictionary's definition of friend ship as ;the quality or condition of having a personal attachment to another by feelings of affection or personal regard.' my personal definition of what friendship is a feeling or emotion expressed in such a way that another feels, wanted and important, a relation ship between a person or persons where every one has some companion to talk to when they're in need of one. Friendship is connecting with another individual in a way that builds strong emotional ties that are built on honesty, loyalty and caring. There are several kinds friends someone who will stand by you in trouble or in joy. We can have true friends only if we willing to give our life for them. They are as important as our family. It is rightly said, "True friendship multiplies the good in life and divides its evils. Strive to have friends, for life without friends is like on a desert island....."

To give me wings  
God said to me, "You are  
More valuable than aeroplanes and birds  
Birds and planes are man made  
But you are made by me  
You're small now  
But when you are old  
You will make aeroplanes  
You are valuable than birds"  
Then I leap with joy  
And praise my lord, God.
