BY AHANA

Miles can truly separate me from my BESTIE But miles can't separate Our true friendship.

DEAR BESTIE,
You make my days bright
And changed my life.
Thank you for being with me.

THE BLUE SKY

When I see the sky
I feel very sad
My blue sky become dark

All the poets write or sing
About the beauty of dark clouds
For me I like blue sky
Blue sky is like blue poor sea water
It is the long carpet made up of
Love and compassion

Blue sky is our life
The white clouds in the sky
Like our beautiful moments in our life
The sky is the ground of beautiful birds

PROVERBS

All that glitters are not gold. A stitch in time saves nine. A little knowledge is a dangerous thing. As you saw, so you reap. Man proposes, God disposes. A friend in need is a friend indeed. Charity begins at home. Honesty is the best policy. Knowledge is power. Look before you leap Laughing is the best medicine. Where there is a will there is a way. Money is a good servant, but a bad master.
