Shadows of Memories.

Past and present

as like sun and moon

Equal phases as like stars and night

Memories of joy

love and care

From the heart to soul connected,

Love from the bottom of heart

I would rather die than memory

it is a gift from the crown of Dawn,

If they exist in life

Until I found them

cities began to sleep

A nightingale started singing

From the bottom of heart as memories

Heavenly blood began to flow from

her heart

Memories are shadow,

As they lose happiness also loses

Shadow, the dark side

We all twinning with them

Dancing flies seen in the branches,

Tickle me like ants,

Walking through the street lights,

That make me fall for you.

My heart is beats for you in the
darkness.

Remember the tale of Romeo and Juliet,

The Romantic Tale,

Memories are deep as ocean.

I only pray you never leave me

Because Understand you can be

So hard to find.

its a way to be with you

The Shadow of us in the mirror

Mirror be like, when I saw you

In the dress looking so beautiful and gorgeous,

Darling you look perfect

Look who we are.

We are the dreamers, that make it
happen; just believe it.

Memories are sweet like honey,

Believe in memories,

But some time it bitter like bitter gourd,

Shadows are unique.

Time flies away

short time more memories.

Memories can heal us

Break down of memories

Killing a memory is not easy

Making of memories is fun.

Shadow the messenger of mercy.

A friend through Highs and Lows.

All will start ignoring us in future.

Be the smile of others to

one day all will be vanished

I hope we would be

the shadow of memories to others.
